**RECORD OF ANNUAL TOWN MEETING
TOWN OF BOW
March 12-13, 1991**

Acting Moderator Dom D'Ambruoso opened the March 12, 1991 meeting at 10:00 A.M.

The meeting adjourned at 7:00 P.M. and was reconvened by Moderator Philip Ryan, Wednesday, March 13, 1991 at 7:00 P.M. at Bow Memorial School with the presentation of colours by Jill Holt, Troop #171; Katie Stebbins, Troop #727, Amy Stebbins, Troop #972, Dawn McGartland, Troop #1012 and Rebecca Cusano, Troop #870.

Following the Pledge of Allegiance, Carroll French led us in prayer.

John Sheridan presented the "Citizen of the Year" award to James R. Bucknam.

It was also announced that there would be a recount of the Budget Committee results.

Article 1

The results of the Town ballot elections were read as follows:

Town Clerk/Tax

Collector - Cynthia

Batchelder - 804 votes

Selectman - Richard Bean - 741 votes

Treasurer - Mark Lavalley - 752 votes

Trustee of Trust Funds - John T. Lyford - 768 votes

Budget Committee - Kenneth J. Strachan - 373 votes

- Sara H. Swenson - 265 votes

- Alfred H. Ward - 381 votes

- Robert H. Wester - 507 votes

The results of a recount held March 19, 1991 at 4:00 PM are:

Kenneth Strachan - 372 votes

Sara Swenson - 267 votes

Alfred Ward - 382 votes

Robert Wester - 505 votes

Library Trustee - 5 years - Thomas A. Fagan - 759 votes

Library Trustee - 2 years - Deborah L. Barnett - 745 votes

The results of the school officer's elections were also read as follows:

School Board - 3 years - Betsy B. Miller - 564 votes

- Paula Bundy - 168 votes

- Deb McNally - 2 votes

School Board - 1 year	- Rick Hiland	- 212 votes
	- Marie R. McMillen	- 314 votes
	- Irving Morrison	- 145 votes
	- Patrick Sullivan	- 108 votes
	- Bundy	- 5 votes

Yes - 561 No - 196

Yes - 543 No - 216

- | | |
|--|--------------|
| 1. South Bow Dunbarton Road | - \$2,000.00 |
| 2. Logging Hill/Albin Road Intersection | - \$2,000.00 |
| 3. Brown Hill/Page Road Intersection | - \$2,000.00 |
| 4. Bow Center Road/Bow Bog Road Intersection | - \$2,000.00 |

It was then voted to raise and appropriate the sum of Nineteen Thousand Five Hundred Dollars (\$19,500.00), said amount to be placed in the Fire Equipment Capital Reserve fund for the following equipment:

- | | |
|--------------------------|--------------|
| 1. Air Bottle Compressor | - \$5,000.00 |
| 2. Start Generator | - \$7,500.00 |
| 3. Rescue Vehicle | - \$7,000.00 |

(Recommended by the Budget Committee)

Article 6

Was moved and seconded. Selectwoman Sara Swenson explained the article. After much general discussion the article to see if the Town will vote to raise and appropriate the sum of Fifty-Eight Thousand Six Hundred Seventy Dollars (\$58,670.00) for its share of the closure of the Concord Landfill (last of three payments) was *amended to*: to see if the Town will vote to raise and appropriate the sum of Fifty-Eight Thousand Six Hundred Seventy Dollars (\$58,670.00) to be kept in an interest bearing Town account for the benefit of the Town of Bow until 1992, to be dispensed under the Selectmen's discretion. The article PASSED as amended.

(Recommended by the Budget Committee)

Article 7

Was moved and seconded. Selectman Eric Anderson explained the article. After general discussion, the article to see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) for title searches of Town road right of ways was DEFEATED.

(Recommended by the Budget Committee)

Article 8

Was moved and seconded. Selectman Reginald Scott explained the article. After general discussion, the article to see if the Town will vote to raise and appropriate the sum of Seventy Thousand Dollars (\$70,000.00) for the purchase of a plow/sander truck for the Highway Department, said sum to be withdrawn from the Capital Reserve Fund created for the replacement of highway equipment PASSED.

(Recommended by the Budget Committee)

Article 9

Was moved and seconded. Selectwoman Sara Swenson explained the article. After general discussion, it was voted to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) as matching funds to participate in the State Aid Reconstruction Program with the State of New Hampshire; 2-1 ratio (State to Town) for the repair and improvement of Class II highways.

(Recommended by the Budget Committee)

Article 10

Was moved and seconded. Selectman Reginald Scott explained the article. After much general discussion, the article to see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000.00) for engineering studies for sewer and water service extension to the Town's commercial and industrial zone on Route 3-A was *amended to*: To see if the Town will vote to raise and appropriate the sum of Thirty-five Thousand Dollars (\$35,000.00) for engineering studies for sewer and water service extension to the Town's commercial and industrial zone on Route 3-A. This article PASSED as amended.

(Not recommended by the Budget Committee)

Article 11

Was moved and seconded. Selectman Eric Anderson explained the article.

After much general discussion, it was voted to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for the construction of ballfields and improvements at Hanson Park, and further to apply for, accept and expend awarded Federal funds in the amount of Twenty-Five Thousand Dollars (\$25,000.00) from the Federal Land and Water Conservation Fund Program to match the Town's Twenty-Five Thousand Dollar (\$25,000.00) portion of the project.

(Recommended by the Budget Committee)

Article 12

Was moved and seconded. This article was explained by Selectwoman Sara Swenson.

After general discussion, the article to see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) for the purchase of an asphalt roller for the Highway Department was DEFEATED.

(Not recommended by the Budget Committee)

Article 13

Was moved and seconded. This article was explained by Selectman Eric Anderson.

The article to see if the Town will vote to raise and appropriate the sum of Nine Thousand One Hundred Thirty Dollars (\$9,130.00) for the purchase of two trailers for the recycling of Plastic bottles. It is anticipated that 50% of this cost would be provided by the State of New Hampshire was *amended to*: To see if the Town will vote to raise and appropriate the sum of Nine Thousand One Hundred Thirty Dollars (\$9,130.00) for the purchase of two trailers for the recycling of Plastic containers. The Town would apply to the State of New Hampshire for matching funds which would pay for 50% of the costs of this project if approved. This article PASSED as amended.

Article 14

Was moved and seconded. This article was explained by Selectman Reginald Scott.

It was voted to authorize the Board of Selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided that such street has been constructed to applicable town specifications as determined by the Board of Selectmen or their agent.

Article 15

Was moved and seconded. Selectwoman Sara Swenson discussed this article.

It was voted to authorize the Selectmen to borrow money in anticipation of taxes.

(Recommended by the Budget Committee)

Article 16

Was moved and seconded. It was voted to authorize the Board of Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the fiscal year.

Article 17

Was moved and seconded. After deleting \$10,000.00 (Article #7), adding \$35,000.00 (Article #10) and deleting \$15,000.00 from the State Retirement, a total budget of \$3,206,143.00 was PASSED.

Article 18

Was moved and seconded. Selectwoman Sara Swenson spoke on this article. After general discussion the article to see if the Town will vote to change the day of the annual Town Meeting from a Wednesday evening to a Saturday day-time meeting was DEFEATED.

Article 19

Other business:

Sara Swenson: Anyone eligible for any exemptions - please apply.
A reminder that there is a dog ordinance in Bow.
A "thank you" to all boards/commissions, etc. Also, there will be a special town meeting in the fall once all re-evaluations have been completed for elderly exemption.

John Sheridan: Don't forget the St. Patrick's Day breakfast
Sunday morning.

Ken Strachan: Let's give Sara Swenson a send off - she's done "one hell of a job".

Eric Anderson:

"One among us is retiring from the Board of Selectmen at the conclusion of this Town Meeting.

Sara Swenson has served our community unselfishly, with devotion and dedication, over the past many years.

To determine just how many years, I spent hours researching our Annual Town Reports going back to the turn-of-the-century for clues.

It was not until the Town Report of 1975, sixteen years ago, that Sara's name first appeared. In that year she is listed as a Ballot Clerk (Republican Alternate). I don't know if that means one year a Republican, next year a Democrat, or what.

None-the-less she has served in that position for 13 of the past 16 years.

And in the 1978 Report, it indicates she served that year as a Supervisor of the Checklist.

She first ran for the office of Selectman in 1979. Since then Sara has been re-elected to that office three more times.

While serving on the Board of Selectmen, Sara has also served as the Selectmen's Representative on several Boards, Commissions, and Committees. For example,

Sara has served on both the Planning Board and the Highway Safety Committee, each, for two years.

She served on the Budget Committee for 7 years.

She served on the Parks and Recreation Commission, The Sewer Commission, and the Central New Hampshire Regional Planning Commission, each, for one year.

Sara has served on Bow's Historical Commission for the past 8 years.

And Sara has served as the Chairperson on the Board of Selectmen four times during the past twelve years, including its Chairperson this year.

In 1985, she was instrumental, with the support of over 500 petitioners, to bring a Branch Post Office to Bow. Even though the Town did not agree that it should have to fund for the postal service, Sara voluntarily devoted her Weekdays and Saturdays to helping our townspeople meet their postal needs.

(Most recently, she was responsible for there being a coin operated stamp machine located in the Municipal Building so that our residents can have access to stamps 24-hours a day, 365 days a year.)

Cumulatively, that adds up to 55 consecutive years of service right here in our community.

Several of you have asked what I shall miss most about Sara's leaving the Board. Well, it's got to be her home made meatballs she so meticulously prepares for our Annual Town Employees' Christmas Party. Those of you who know me best, will appreciate my concern, and what that loss really means.

Sara has served our Community long, hard, and unselfishly, with great dedication and devotion to our community and to you — its residents.

Eric then presented Sara with a plaque for her 12 years service to The Town of Bow.

Article 20

Standing Committees:

The budget committee is to appoint someone to replace Dick Bean, our NEW Selectmen.

There being no further business, the meeting adjourned at 9:50 PM.

Respectfully submitted,

CYNTHIA M. BATCHELDER
Town Clerk

**RECORD OF SPECIAL TOWN MEETING
BOW, N.H.
NOVEMBER 5, 1991**

Moderator John Lyford opened the November 5, 1991 Special Town Meeting at 7:00pm. Following the presentation of colours, by Boy Scout Troop 75, consisting of Scouts Michael Whaland, Brian Gorvy, David Masuck, Mike Long, Joel Maccini, and Cubmaster Bob Remillard and the Pledge of Allegiance, the Moderator introduced the Town Clerk/Tax Collector, The Selectmen, Town Attorney, Town Manager, The Ballot Clerks and the Supervisors of the checklist.

After a brief explanation of how this meeting would be run, Moderator John Lyford read Article 1 of the Town Warrant as follows:

1. Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$39,200, for a person 75 years of age up to 80 years, \$58,000, for a person 80 years of age or older, \$78,400. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000, and own net assets not in excess of \$50,000 excluding the value of the person's residence. (Requires ballot vote).

This was moved by John Sheridan and seconded by Irving Morrison.

Selectman Eric Anderson then proceeded to explain the elderly exemption.

An *amendment* by Selectman Richard Bean to change 'and own net assets not in excess of \$50,000 excluding the value of the person's residence' to 'and own net assets not in excess of \$100,000 excluding the value of the person's residence' was moved and seconded.

The motion to move the question passed by more than a 2/3 hand vote.

A *second amendment* by Selectmen Richard Bean to add "Shall we adopt automatically upon passage by the New Hampshire General Court any change in the provisions of RSA 72-43-g regarding qualification on net income of the taxpayer? was moved and seconded.

This amendment passed by hand vote.

A *third amendment* by Horace Bailey to round off the exemptions from \$39,200 to \$40,000, \$58,800 to \$60,000; and \$78,400 to \$80,000 was moved, seconded and also passed.

The article as amended to: Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$40,000; for a person 75 years of age up to 80 years, \$60,000; for a person 80 years of age or older, \$80,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets not in excess of \$100,000 excluding the value of the person's residence; and we shall adopt automatically upon passage by the New Hampshire General Court any change in the provisions of RSA 72-43-g regarding qualification on net income of the taxpayer PASSED BY A BALLOT VOTE OF 125 - yes, 4 - no.

Chip Baily commented that it was nice to see the older people at budget meetings, etc. and hoped to see even more at these meetings.

There being no further business, the meeting adjourned at 8:04PM.

Respectfully submitted,

CYNTHIA M. BATCHELDER
Town Clerk

SELECTMEN'S MESSAGE

Thank You

The Board of Selectmen wishes to thank the elected officials, the appointees, the hundreds of volunteers, the Town Manager, Department Heads, and the dedicated town employees, who individually and collectively, continue to make Bow a great place to live, work, play, and to raise a family. Although no additional employees were added or planned, the Board did commission two new committees to help with two affairs: the Recycling Committee with seven volunteers, and the Cable Television Franchise Review Committee with five appointees.

Elderly Exemption

We were delighted with the support the Town Meeting provided to the Board's elderly exemption proposal. The Meeting on November 5, 1991, voted 125 to 4 to support increased exemptions for those who qualify; e.g., \$40,000 for those 65-74 years of age, \$60,000 for those 75-79 years of age, and \$80,000 for those over 80 years of age. If you meet the income, residency, age, and asset qualifications, you should apply at the Municipal Building prior to April 15, 1992, for the exemption to be reflected in your 1992 tax bill.

PSNH Abatement

The first of six Public Service of New Hampshire (PSNH) tax abatement requests was settled this year. The State's Board of Land and Tax Appeals ruled that the Town did owe PSNH \$233,000 (abatement plus interest) to satisfy PSNH's 1982 abatement request. Abatement requests for the years of 1987, 1988, 1989, 1990, and 1991 are pending. According to Attorney Richard Upton, who represents the Town, each of these abatement cases is scheduled to be decided in Superior Court beginning in about 18 months.

Thanks to the cooperation of the Town Manager and the Department Heads along with the understanding of the Townspeople, the money for the 1982 abatement was taken right out of the "municipal" portion of the operating and maintenance budget. Major items, such as road paving, were put on hold so as not to add to the current tax rate.

Reassessment

For the first time since 1974, the Town of Bow was reassessed. The assessed valuation on which the tax rate is based went from \$177,915,139 in 1990, to \$693,988,426 in 1991 — an increase of 290%. On the average, values on individual properties increased by a factor of approximately 3.9 times to bring them up to 100% valuation. Thus, if your property had been assessed for \$40,000, it may now be valued at approximately \$156,000.

Tax Rate

The tax rate for 1991 was set at \$14.19 per \$1,000. The rate for 1990 was \$48.64 per \$1,000. To have had no increase in the tax rate from 1990 to 1991, the 1991 tax rate would have been \$12.47. Thus, the tax rate in 1991 increased 13.8% over the 1990 tax rate.

One reason for the increase is that the Board agreed to maintain almost \$493,647 in the "1991 overlay" — the money that is needed to cover abatement requests as a result of the Town's assessment. Thus, approximately \$0.71 of the current tax rate is going to cover abatements. Money that is left over at the end of the abatement season will go into the Town's surplus to help reduce next year's tax rate.

Recycling

We continue to applaud our residents for their dedicated support to recycling. With the vote of the March '91 Town Meeting, the Town purchased a trailer with which to recycle plastic containers. The Town participated in a program with the State funding \$1,200 of the purchase price of the trailer.

Aluminum cans continue to be the biggest revenue producer with nearly 13,000 pounds recycled generating almost \$3,200 in revenues this year. For every ton of paper and glass that is recycled, we avoid having to pay the \$38.45 tipping fee to have it burned.

With the importance that the Board has placed on recycling, the Board established and appointed a 7-person Recycling Committee. The committee is to review current and future technologies, review recycling methods and procedures, inform and educate the townspeople on recycling, and recommend to the board ways to further reduce solid waste costs through recycling.

Building Permits

Single family building permits issued increased to 34 this year, which compares with 31 issued in 1990. During 1986, our BOOM year, 157 building permits were issued. Since that year, the issuance of building permits has continued to decline.

This slowdown has provided the Planning Board and the Town's Planner with a good opportunity to update the Town's Master Plan. The Master Plan Committee has been meeting regularly to do that. Hopefully, by mid-1992 the fully revised plan should be ready for community review and comment and for Planning Board adoption.

Growth

If measured as a function of population, Bow grew steadily at a rate of 3.7% per year during the decade of the eighties. That compares to a yearly growth rate during the decade of the seventies at 6.2% per year, and a growth rate of 8.5% per year during the decade of the sixties. Although growth continues, its annual rate of growth has declined.

1990 Census

Preliminary results from the 1990 census are in. The report indicates that Bow has a population of 5,500 persons, up 37% during the decade, from the 4,015 persons reported in the 1980 census. The median age of our population is 36.2 years. There are a total of 1,813 households in Bow with 1,482 married couples. Each household averages 3.03 persons per household. The census reports almost an even split between males and females: 2,744 and 2,756 respectively. The greatest segment of our community, those between 25-44 years of age, represents 33.4% of the total. Seven percent of our residents are less than five years of age, and another 8 per-

cent of our residents are aged 65 and over.

Bow has an area of 28.1 square miles with 196 persons per square mile. The median rent was reported to be \$588 per month.

Additional segments of the 1990 Census will be forthcoming.

Cable TV Review

Continental Cablevision has asked the Board of Selectmen to begin the 3-year renewal review process. To begin the effort, the Board has appointed a 5-person committee to begin to collect information and to review subscribers' concerns. The committee is in its infancy, but it will be heavily involved in the renewal process shortly. We encourage your involvement in that process.

Semi-Annual Tax Billing

This year the Board is recommending that the townspeople support semi-annual tax billing. Rather than getting a bill in November for your annual tax obligation, you will also receive a bill in about June. This provision will enable you to better allot your funds during the year to lessen your end-of-the-year tax burden. It will also enable the town to save thousands of dollars in interest annually. It has been necessary to borrow the money for the town and school to operate during the year in anticipation of taxes. The Town Treasurer estimates that, in the first year alone, the town can save nearly \$92,000 or \$0.13 on your tax rate.

Boston Post Cane Awarded

The Board presented the Boston Post Cane to Lillian Revoir in conjunction with her 100th birthday on June 25, 1991. The Boston Post Cane is presented to the town's oldest resident. It is kept in the possession of the recipient until that person moves on or passes away. The cane is then presented to the person who is then the town's oldest resident.

Merrimack River Study

With congressional support, the National Park Service has begun a three year study to determine whether the Merrimack River should be designated as a "National Wild and Scenic River". The stretch being studied is that 30-mile segment that flows from Franklin through Bow to the Hooksett line.

To support the study, the State's Department of Environmental Services has appointed an Upper Merrimack River Local Advisory Committee. The committee consists of representatives from each of the communities along the river as well as various special interest groups that have a concern about the river.

To be designated as a National Wild and Scenic River, the communities along the river, including Bow, must provide their support. The Board encourages our townspeople to actively participate as this public designation process goes forward.

25-Years of Service

This year, Lenny Virgin completes 25 years of service with the Town. He is a heavy equipment operator. Among today's employees, Lenny has served the Town longer than any other. The Board of Selectmen commends Lenny for his years of dedicated and professional service to our community and its residents.

Respectfully Submitted,

ERIC ANDERSON, Chairperson
REGINALD R. SCOTT
RICHARD F. BEAN
BOARD OF SELECTMEN

TOWN MANAGER'S REPORT

I would like to thank the Board of Selectmen, the Town's employees and the many volunteers who contribute hours and hours of time to successfully operate the Town's various functions for the citizens of Bow. It is their combined efforts that make Bow the kind of place that people seek to live, raise their families and renew their souls.

It is also that kind of feeling that has made it an easy and most enjoyable time for me in my role as the Town's first Town Manager. The people of the Town as well as the Town's official family have made it an absolute joy to work with and for. The Town has much for which to be thankful and proud.

That is not to say that we don't have any problems because we do. We still have the several years of PSNH tax abatements to resolve. We are hopeful that some if not all of them can be resolved in 1992.

There are still areas of the Town that are not served by cable television. To the families affected by this lack of service it is a problem of some significance. It is one of the matters which will receive everyone's attention as the Town negotiates a possible extension of Continental Cablevision's agreement with the Town.

The roads in Town will continue to receive a large portion of the Town's resources for their repair and maintenance. Many of the Town's roads are in need of complete reconstruction. Since there is not enough money to do this, repair and maintenance will continue to be the program of choice for years and years to come.

Another road related problem is drainage. There are many isolated drainage problems which need to be addressed. We will be correcting as many of these as we can during the spring and summer to reduce possible damage to private property.

One of the subjects most dear to people in all towns including our own is the subject of increasing property taxes. I am convinced that property taxes as the largest source of town income will continue to escalate. This will be the result of forever increasing operating costs, demand for more services and our complete reliance on one source of revenue at the municipal level of government. Since there is virtually no support for other sources of revenue citizens must pay attention to the first two reasons for escalating property taxes. I would urge all citizens to become involved, not just once a year at Town Meeting but throughout the year, to study programs and functions and suggest better and cheaper ways of doing things. Please remember that no one has all the answers so get involved if you can.

The Bow Business Development Commission is working on one aspect of this problem. The members of that Commission are working to develop ways and means of expanding the Town's tax base by locating more commercial and industrial uses in the Town of Bow.

There is also a committee hard at work to revise the Town's Master Plan. This effort will culminate in a vision of the Town for the future. You may or may not agree with that vision. Please become familiar with the Committee's work and let the Com-

mittee know your feelings regarding their goals for the future of our Town.

I do know that the problems which we face will be solved through the unselfish efforts of all the people of our Town. It is my feeling that there is no problem which we can't solve if we work together.

I again thank all the people who work with me and our elected officials for their high degree of cooperation and dedication to our Town's best interests and well-being.

ALBERT R. ST. CYR
Town Manager

TOWN WARRANT
1992 Meeting of the Town of Bow
The State of New Hampshire

To the Inhabitants of the Town of Bow in the County of Merrimack, in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Bow Community Building in said Bow on Tuesday, the 10th day of March, 1992, at 10 o'clock in the forenoon to act upon the subjects hereinafter set forth. The voting on Articles 1 and 2 will be by official ballot and the polls shall be open for balloting at 10 o'clock in the forenoon and shall not close before 7 o'clock in the evening.

You are hereby notified, in accordance with the provisions of RSA 39:1-a, adopted at the 1980 Annual Meeting of the Town of Bow, to meet at the Bow Memorial School in said Bow on Wednesday, the 11th day of March, 1992 at 7 o'clock in the evening to consider the remaining Articles on the Warrant.

1. To Choose by non-partisan ballot the following Town Officers:
 - One Selectman for three years
 - A Treasurer for one year
 - A Town Clerk/Tax Collector for one year
 - A Moderator for two years
 - One Supervisor of the Checklist for six years
 - One Supervisor of the Checklist for four years
 - Two Budget Committee members for three years
 - One Trustee of Trust Funds for three years
 - One Trustee of Trust Funds for two years
 - One Library Trustee for five years
 - One Library Trustee for three years
2. Are you in favor of the adoption of an amendment of the Bow Zoning Ordinance as follows:
 - Table of Use Regulations (Section 5.02, e-3) "Hospital, nursing home and elderly housing, clinic and health maintenance organization center" to permit this use only by a "Variance" rather than by the present "Special Exception" in a Residential Zone.
 - This article was submitted by petition and was approved by the Planning Board in a 3-2 vote.
3. To see if the Town will vote to raise and appropriate the sum of Seven Thousand Dollars (\$7,000) for an annual Town Celebration to be held during the month of July.

(Not Recommended by the Budget Committee)
4. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) as matching funds to participate in the State Aid Reconstruction Program with the State of New Hampshire: 2-1 ratio (State to Town) for the repair and improvement of Class II Highways.

(Recommended by the Budget Committee)

5. To see if the Town will vote to raise and appropriate the sum of Twenty-Nine Thousand Dollars (\$29,000) for various repairs and maintenance of the Municipal Building.
(Recommended by the Budget Committee)
6. To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) for various repairs and maintenance of the Community Building.
(Recommended by the Budget Committee)
7. To see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000) to be added to the Fire Equipment Capital Reserve Fund for a Pumper/Tanker for the Fire Department.
(Recommended by the Budget Committee)
8. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for the purchase of an air bottle compressor for the Fire Department and to authorize the withdrawal of Five Thousand Dollars (\$5,000) from the Fire Equipment Capital Reserve Fund. The balance of Five Thousand Dollars (\$5,000) is to come from general taxation.
(Recommended by the Budget Committee)
9. To see if the Town will vote to raise and appropriate the sum of Nineteen Thousand Dollars (\$19,000) for the purchase of a start generator for the Fire Department and authorize the withdrawal of Seven Thousand Five Hundred Dollars (\$7,500) from the Fire Equipment Capital Reserve Fund. The balance of Eleven Thousand Five Hundred Dollars (\$11,500) is to come from general taxation.
(Recommended by the Budget Committee)
10. To see if the Town will vote to raise and appropriate the sum of Seventy Thousand dollars (\$70,000) to purchase a plow/sander truck for the Highway Department and authorize the withdrawal of Seventy Thousand Dollars (\$70,000) from the Highway Equipment Capital Reserve Fund.
(Recommended by the Budget Committee)
11. To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand Dollars (\$14,000) said sum to be added to the Highway Construction Capital Reserve Fund for the improvement of the following roads and intersections:
 1. Page Rd./Brown Hill Rd. Intersection \$ 2,000
 2. Bow Center Rd./Bow Bog Rd. Intersection \$ 2,000
 3. So. Bow Rd./Dunbarton Rd. Intersection \$ 2,000
 4. Hollow Road \$ 2,000
 5. Grandview Road \$ 2,000
 6. River Rd., Ferry Rd. Intersection \$ 2,000
 7. Putney Road \$ 2,000
(Recommended by the Budget Committee)

12. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) to be added to the Highway Equipment Capital Reserve Fund for a plow/sander truck for the Highway Department.
(Recommended by the Budget Committee)
13. To see if the Town will vote to permit the use of the Town Forest for recreational purposes including a pistol/rifle range for use by the Police Department.
14. To see if the Town will vote to authorize the Selectmen to execute a quitclaim deed to Mobil Oil Corporation releasing any interest the Town may have in and to a triangular parcel of land located easterly of South Street and southerly of the Bow Mobil Station so-called, being Tax Lot 1-48C, as well as any land adjacent thereto which may be between such lot and the existing easterly sideline of South Street and between Mobil's existing lot and the existing easterly sideline of South Street, and to take any further action relating thereto.
15. To see if the Town will vote to rescind its previously authorized sale of bonds in the amount of \$262,750 (November 9, 1983) for the purpose of constructing sewerage and sewage treatment facilities.
(Recommended by the Budget Committee)
16. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property, other than cash, to the Town for any public purposes. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote of the Town Meeting.
17. To see if the Town will vote to authorize the Board of Selectmen to dispose of a lien or tax deeded property in accordance with the provisions of RSA 80:80.
18. To see if the Town will vote to adopt the provisions of RSA 76:15a which would provide for the semi-annual collection of property taxes.
19. To see if the Town will vote to accept the budget as presented by the Budget Committee and to determine the amount to be raised and appropriated for Town expenses, and to pass any vote in relation thereto.
20. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expended, without further action of the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the fiscal year.
21. to see if the Town will vote to authorize the Board of Selectmen to establish or amend fees as provided for in RSA 41:9a.
22. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
23. To hear reports of standing committees and take any action relating thereto.

24. To transact any other business which may legally come before such meeting.

Given under our hands and seal the 14th day of February, in the year of our Lord, 1992.

ERIC E. ANDERSON
REGINALD R. SCOTT

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the
Board of Selectmen and Town Manager
Town of Bow
Bow, New Hampshire

We have audited the accompanying general purpose financial statements and the combining and individual fund financial statements of the Town of Bow as of and for the year ended December 31, 1991, as listed in the Table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Bow as of December 31, 1991, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town as of December 31, 1991, and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles.

BOW POLICE DEPARTMENT

Full-time Officers

CHIEF Peter A. Cheney - SS 3/74
LT. Robert C. Graves - SS 7/79
SGT. Bruce E. Price - SS 11/80
SGT. Paul M. Stone - SS 4/81
CPL. Bruce A. Jacklin - SS 4/82
CPL. Kelvin H. Clark - SS 2/85
Ptlmn. Martine K. Ardine - SS 7/87

Part-Time Secretary

Barbara C. Gore

Although many portrayed 1991 as a dismal year, primarily due to the economy, I'm pleased to report to you that our burglaries totaled only seven. This represents the lowest total in any given year on record since the department went full-time which was 1970. All seven burglaries were residential. There were no industrial burglaries.

I'm also happy to report for the second year in a row that we didn't experience a fatality with the 59 motor vehicle accidents which we investigated.

Total cruiser patrol miles totaled 133,624 in 1991 which is an average of 366 miles every 24 hours.

In September all members of your police department attended a training session and became certified with the usage of CAP-STUN II, which is now a department issued item. This will enable the officer to better protect himself against being assaulted or injured in an incident which may escalate, such as the brawl that occurred at the Gristmill Restaurant last August. Due to the size of our department we can't afford to have officers out of work because of unnecessary injuries. Cap-Stun is an organically based less-than-lethal aerosol weapon designed to incapacitate any attacker instantly—with no after-effects. Cap-stun instantly immobilizes an attacking human or animal for up to 45 minutes regardless of size or strength.

I felt our first 17 week DARE program at the Bow Memorial School for the 5th graders was a great success. I want to say thank you to all the individuals and businesses that helped sponsor the program through monetary contributions. In order to help reduce the hardship on local businesses due to the economy, I decided to have the police department sponsor one half of the second DARE program which is currently under way using monies from an account which we received from a drug case where we assisted federal DEA (Drug Enforcement Agency) officers.

At this time I want to thank all the residents and businesses who have continued to support, cooperate and render their assistance for the past year to my department and its members when needed.

REMEMBER!! We are here to PROTECT AND SERVE YOU 24 hours a day. PLEASE DO NOT HESITATE TO REPORT ANY VEHICLE OR PERSON THAT LOOKS SUSPICIOUS TO YOU — TO US AT 228-0511.

Respectfully submitted,
PETER A. CHENEY
Chief of Police

BOW POLICE DISPATCH CENTER

Full Time

Martha Plummer
Jonathan Winchester
Neil Smith
Rhonda Saseen

Part Time

Robert Lougee
Margaret Lougee
Ed Fournier

The Bow Police Dispatch Center is located at the Bow Municipal Building at 10 Grandview Road and all residents are welcome to visit. As in the past, the Dispatch Center is here to serve you in many different aspects such as, receiving incoming telephone calls for Police, Rescue, Fire, Highway, Civil Defense, Recreation and Community building functions.

Upon receiving any of the above calls, the Dispatcher will then take the necessary action in notifying the appropriate agencies or persons, i.e. contacting the Police Officers, Ambulance Service, Central Fire Alarm, notifying the Highway Department, Town Engineer and any other agencies that may be needed, as well as activate the emergency operation center for Civil Defense, if necessary.

Should the need arise that you have to call the Bow Dispatch Center, in an emergency PLEASE REMEMBER TO PROVIDE THE FOLLOWING INFORMATION:

1. WHO (who is calling)
2. WHERE (where is the location)
3. WHAT (what is the problem)

BOW POLICE DEPARTMENT TELEPHONE NUMBER: 228-0511

The OPERATION CALL IN PROGRAM is still in effect. The program was implemented in December of 1981 and presently has 16 Bow residents involved on a daily basis. The program remains in effect for senior citizens, handicapped and residents living alone. Information about the program may be obtained at the Dispatch Center. Telephone stickers, neighborhood watch decals and handbooks are also available at the Dispatch Center.

Thank you again for your continued support and cooperation in 1991 and we look forward to assisting you in 1992.

Dutifully yours,

LT. ROBERT GRAVES

1991 BOW FIRE DEPARTMENT ANNUAL REPORT

During 1991 the Fire Department saw a 10% increased number of fire and medical calls with a total of 291. The breakdown of calls is as follows:

Structural	8	Motor Vehicle Accidents	20
Fire Alarms	52	Mutual Aid	44
Chimney	12	Medical*	59
Brush	20	Misc.	76
		TOTAL	291

*Medical calls made by the Bow Rescue-additional calls made by private service.

Under the direction of Deputy Chief Lee Kimball, the Department continued to maintain a progressive and demanding training schedule which includes weekly training, monthly Compact drills, emergency medical training and recertification maintenance. Lt. Mary Lougee heads up the Rescue training and maintains a very active program to ensure personnel maintain EMT and CPR certifications as well as the scheduling of in-service programs.

Maintenance of basic skills in an attempt to comply with Federal and State Regulations occupies a large portion of the weekly training dates; however, weekend and off schedule training is conducted. Specialized training programs during the course of the year included: a 16 hour Driver/Operator Course, Auto Extrication, Incident Command Refresher, Hazardous Materials refresher, a 12 hour Radiological Monitoring Course, Basic Rescue and Truck Company Operations.

The Department hosted a very successful Wildfire Forestry Exercise/Drill last spring which involved all emergency services within the community (Emergency Management, Rescue, Police, Highway Department, School Department and Fire Department Ladies Auxiliary). Outside agencies included State Forestry, State Emergency Management and Brigham Helicopter Service. A total of eight pieces of fire apparatus were used in addition to 65 firefighters with total participants numbering 103.

The Explorer Post has now been a part of the Fire Department for 5 years and has continued to be very active. The Post members train with the Department on a weekly basis and have been a great help when called upon at fires. The Post is open to male or females between the ages of 15 and 21 or any 14 year old who has completed the eighth grade. If you know anyone interested in joining, they may stop any Wednesday night.

The Ladies Auxiliary has done a great job in supplying us with refreshments at fires and assisting us at Fire Department activities. The Department is proud to have a group of ladies that are always ready to help.

I would like to thank the members of the Police Department, Highway Department, Recreation Department, and the Building Inspector for their assistance during the past year.

I would like to give a special thanks to Town Manager Al St. Cry, and Selectmen Eric Anderson, Reginald Scott and Richard Bean for their help in getting through some difficult times with apparatus this year.

Re: Fire At Merrimack Station

Dear Eric:

As requested here is a list of Bow Fire Department personnel that served under my command at the recent fire at Merrimack Station. In addition I included the time frame for the event. I would like the selectmen to write a letter of commendation to these men for the service they performed under very strenuous conditions for an extended period of time.

Deputy Chief Lee Kimball	Firefighter/EMT Eric Bourn
Captain/EMT Dick Pistey	Firefighter John Burton
Lieutenant/EMT Dana Mosher	Firefighter Bill Capozzi
Lieutenant/EMT Mike Paveglio	Firefighter/EMT Mike Corcoran
Lieutenant/EMT Don Eaton	Firefighter Tom Ferguson
Lieutenant/EMT Mary Lougee	Firefighter/EMT Jeff Grant
Chief Engineer Carroll French	Firefighter/EMT Eric Krochmal
Engineer Tony Camp	EMT David Nickerson
Engineer Gary Leavitt	EMT Lisa Ordway
Engineer Jim Scovil	Firefighter Randy Sassi
Engineer/EMT Bill Flanders	Firefighter Jerry Talbot
Firefighter Ted Bardwell	Firefighter Bruce VanDyke
Firefighter/EMT Mike Berry	Fire Fighter Robert Purcell

The incident began on Thursday, August 22 at 2:30 P.M. and the last truck was placed back in service on Saturday, August 24 at 10:30 A.M. The total hours supplied by the Fire Department was in excess of 525.

As I stated before these men I believed performed far more than was expected of them and I believe the Town of Bow should recognize them for this effort. The efforts put forth by these people and the Mutual Aid Companies prevented certain destruction of the Merrimack Station and I am sure that I do not have to point out the effect of the loss of this facility on the Town of Bow.

Thank you for your consideration.

Very Truly Yours,
Bow Fire Department

Nicholas J. Cricenti Jr. P.E.
Deputy Chief

August 30, 1991

Nick Cricenti
Bow Assistant Fire Chief
2 Knox Road
Bow, New Hampshire 03304

Dear Nick,

The purpose of this letter is to thank you and all the firefighters for your efforts in putting out the coal silo fire at Merrimack Station. The leadership you exhibited during the coal silo fire on August 22, 23 and 24 was an inspiration to all of us. Your commitment to safety and your firefighters was exceptional. Through your leadership and your firefighters effort, professionalism and courage the fire was put out without injury and minimal damage to equipment.

As a result of our combined efforts, Unit 1 was back in service on Saturday, August 24 and Unit 2 on Sunday, August 25. The coal silo was emptied, inspected, repaired and filled with coal by Tuesday, August 27.

Again, all of us at Merrimack Station and PSNH salute you and all the Firefighters who participated in extinguishing the coal silo fire.

Thanks,

Harold E. Keyes
Station Manager
Merrimack Station
Public Service Company of New Hampshire

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

1991 was a very dry and busy year for the New Hampshire Forest Fire Service as well as local fire departments due to our increase in the number of fires. Our three major causes of fires in 1991 were non-permit, children, and smoking materials. 450 wildland fires in New Hampshire burned approximately 150 acres for an average fire size of one-third acre.

Primarily, the local fire department is responsible for extinguishing these fires. Keeping the average fire size this small is a tribute to early detection by citizens, our fire tower lookout system and the quick response of our trained local fire departments.

In every municipality, there is a Forest Fire Warden and several Deputy Wardens that are responsible for directing suppression action on wildland fires, working with other fire department members under the direction of the N.H. Forest Fire Service to make sure that all fire department members are properly trained and equipped for suppressing wildland fires. Forest Fire Wardens and Deputy Wardens receive specialized training each year, presented by the N.H. Forest Fire Service, to keep their skill level and knowledge of forest fire laws up to date.

The local Warden and selected Deputy Wardens are also responsible for issuing burning permits for any open burning that is to be done in their community. In New Hampshire, any open burning, except when the ground is completely covered with snow, requires a written fire permit prior to lighting the fire. Before doing any open burning, it is recommended that you contact your local fire department to see if a permit is required and to save your community the cost of sending fire equipment on a false alarm. Any person violating the permit law (RSA 224:27) shall be guilty of a misdemeanor.

Please help your local Warden and fire department by requesting a fire permit before kindling a fire, be understanding if they tell you it is not a safe day to burn and help keep New Hampshire green! Thank you for being fire safe.

Respectfully submitted,
ROBERT D. NELSON, Chief, Forest Protection
H. DANA ABBOTT, Warden

BAKER FREE LIBRARY

Baker Free Library serves the information, educational and leisure needs of the residents of Bow. It promotes, develops and maintains open access to the facilities, resources, and services available locally and through inter-library networks. Baker Free Library assures an environment that stimulates knowledge, culture, and the pure enjoyment of reading.

On June 20th, 1991 the Long Range Planning Committee for the library met for the first of twelve meetings. The result of their first meetings are in the Mission statement above. The committee is currently working on setting goals and objectives and will present a written document to the Trustees by May of 1992. The committee consists of the following: Jim Cailler, Linda Kling, Joan Leggett, Evelyn Lindquist, John Lyford, Gary Shirk, Mary Slattery, Richard Welch and John Urdi.

Donna Terrell took over as Children's Librarian this year and guided us through a summer of Enchanted Reading. The older readers traveled through an enchanted forest and the younger readers decorated the children's room with wizard hats and crystal balls. The end of the program was celebrated with a magic show by Rod Pitman and a pizza party provided by the Friends of the Library.

Our story time continues to thrive on Wednesday morning. Judy Finn Acone faithfully shows up every Wednesday to donate her time and talent to a very popular Active Listener group. Sherri Cheney reads to the 5 & 6 year olds every other week and Donna Terrell provides crafts every week for both the 3 & 4 and 5 & 6 year olds.

We opened up the building on Thursday, during National Childrens Book Week and Donna led tours for the 5 first grades at Bow Elementary. We enjoy giving the first graders a peek of their library on a day all their own.

Library Assistant, Sue Duckworth joined the staff in May. She has started compiling a collection of folders we call "Hot Topics". We anticipate possible report projects for upper level students and collect current articles and create a bibliography that covers the subject and place it in a labeled folder. Our intent is to help a student with limited time get on the right research path without frustration. Sue also attended an E-Mail and a Genealogy workshop.

We participated in the July Welcome Home Troops Celebration with a game booth. The dragon toss, stained glass creations and poster activity were a lot of fun for everyone involved. Special thanks to Chip Bailey for his help with the dragons.

Our second annual bookmark contest, held for National Library Week, was judged by former Director, Helen Robinson, former Children's Librarian, Betty Waite and former Circulation staff, Virginia Brown. The winner for the K-3 category was Lisa Lavochkin. A tie for the 4th-6th category was won by Jessica Reid and Crystal Evans. The 7th grade winner was Philip Gagnon. Other activities included our Open House with a group picture of library card holders, the presentation of a VCR and monitor from Continental Cablevision and a book sale sponsored by the Friends of the Library.

The Friends of the Library have new officers and are very active. Carolyn Bartlett is the President, Jeanette Whaland is the Treasurer and Ginny Shirk is Secretary. The FOL Yard Sale at the Community Building and the Book Sales continue to provide funds for passes to the Museum of Fine Arts in Boston and a \$400.00 donation to help replace a broken copier. Many new ideas are being pursued by the dynamic and supportive group. Meetings are at 1 P.M. on the third Wednesday of the month in the Baker Room.

Services were expanded to include E-Mail, which speeds up our Inter-library loan turn around time, state Van delivery, which cuts down on postage costs, circulation of videos from the state library collection, Baker Free Book Talks and the Bow Artist Series. The Book Talks are for anyone interested in reading a particular book and then discussing it together. They occur on the third Tuesday of the month, at 1 P.M. in the Baker Room. Any artist who would like to display their work in the library for a six week period is encouraged to participate in the Bow Artist Series.

I thank the Garden Club, Bovie Print, the Friends of the Library and everyone who has made a donation to the library over the last year. The special wreaths during the holiday season and the magazine subscriptions are enjoyed. The "new", old book plates are a real treat and the money donated throughout the year helps us out in spots when we might need something extra. Thank you for your continued support.

Respectfully submitted,

LINDA KLING
Director

BOW DEPARTMENT OF PUBLIC WORKS

One mile of Woodhill Road was paved in 1991. The remainder of the paving scheduled for the year was postponed until a later date.

A short section of Birchdale Road was rebuilt. We hope to continue on this road and to start reconstructing others as needed.

Work was started on the Albin Road/Logging Hill Road intersection. We hope to complete this job in the spring.

Our normal maintenance included cleaning and repairing drainage, removal of several dangerous trees and the rebuilding of approximately ten miles of shoulders.

The Cemetery Department will start maintaining Heath Cemetery in the spring of 1992.

The Sewer Department has a new metering system on Hall Street.

The walls at the Bow Transfer Station were straightened and a new wall built to accommodate the plastic recycling trailer.

All employees required to have the new Commercial Driver's License have passed the tests and now hold the new licenses.

The Highway Department won two trophies for the second year in a row at the New Hampshire Municipal Association Plow Rally.

A new key card gas distribution system has been installed at the Highway Garage as well as an explosive fume exhaust system.

Respectfully submitted,

Leighton Cleverly
Road Agent

BOW PARKS AND RECREATION COMMISSION

The Bow Parks and Recreation Department had an extremely active year in 1991. Attendance at the Summer Playground Program reached an all time high in 1991. High attendance at many ongoing and new programs pushed Departmental Revenue through user fees to an all time high of \$37,580.00. Revenue through user fees was over \$3,500.00 higher than the Department's 1990 previous high of \$34,000. This \$3,500.00 increase was a 10 % increase over 1990 and represented 37 % of the Department's total 1991 budgetary allocation.

The Bow Budget Committee had set a goal of \$37,000 in anticipated revenue through the collection of user fees for 1991. This goal was met and all fees were deposited into the Town's general fund as required by law. This "pay as you go" program philosophy is found throughout the Department's many programs and continues to place a larger portion of the financial burden for programs on the program participants rather than on the Town taxpayers in general.

HANSON PARK NEW RECREATION FACILITIES: The Department's year was also highlighted by the awarding of a \$25,000.00 Federal Land and Water Conservation Grant to the Town for the expansion of Hanson Park on Albin Road. This grant needed to be matched by the Town and this was accomplished by the voters at the 1991 Town Meeting. Once the Town agreed to match the grant, the Bow Parks and Recreation Department worked with the State of New Hampshire to secure the final environmental, historical, and other state reviews and permits. This process can sometimes take more than a year to clear through the numerous state review agencies. The Department was able to clear all state reviews in only four months (April to July). Final approval and awarding of the LWCF Grant by the United States Department of the Interior came in August.

The Department, with much assistance by Parks and Recreation Commissioner Robert Gosling, prepared final plans and specifications and went out to public bid early in the fall. Thirteen contractors bid on the project and the project was awarded to the qualified low bidder, Superior Excavating of Hooksett, N.H. In November, Superior began work on the project and in a few short weeks they completed over 70 % of the project: constructing an access road, two parking lots, and most of the site work for the new combination little league-softball field and soccer field. This spring, Superior will finish final grading and seeding of the fields. A small tot lot playground and handicapped access parking will also be constructed this summer under the grant funding.

The Bow Rotary Club has agreed to donate a backstop and fencing for the new fields, also scheduled to be completed this summer. Fundraising is on going for the fencing and anyone wishing to donate to the fund is encouraged to contact any member of the Rotary Club.

RECREATIONAL PROGRAM HIGHLIGHTS: The Department conducted over 140 programs, classes, special events, and bus trips for recreational outings in 1991. Some of the Department's year round programs include Kinder-gym and Kindercooking

for 3 to 5 year olds under the able leadership of instructor Ginny Holt; Body Tone Up and Senior Exercise Classes under Michelle Vechionne; and the "Children's Dance Workshop" under Janet Dare. The children's dance program this past year was highlighted by their spring recital of "Space Fun '91" with a large turnout by families and friends.

Other popular children's programs included ice skating lessons, and pre-school and kindergarten basketball. Special celebrations included visits by Santa Claus and the Easter Bunny, the Bow Christmas tree lighting, and the Town sponsored Halloween Party. A new family program which proved to be extremely popular was the "Let's Go Fishing" program, conducted by Dennis Brown with materials supplied by the N.H. Fish and Game Department. At the conclusion of the course children with their parents spent a morning fishing at a nearby pond.

Some of the new children's programs in 1991 included Baton Twirling, Wrestling, and Karate Classes. The weekly winter ski instructional program at Pats Peak continued to be popular with over 160 youths enrolled. Close to 200 youths attended seven school vacation ski trips to Cannon, Sunapee, Black Mountain, and King Ridge ski areas. Also over 20 children attended the pre-school/kindergarten learn to ski program at King Ridge Mountain. Special programs were also offered at the Bow Community Building during Christmas, Winter and Spring School Vacations.

The eight week summer playground program held at the Bow Memorial School broke all previous attendance figures for the program. Special hours were again set aside for younger children 5 through 8 years of age. The summer program offered 16 trips to State Parks and N.H. tourist attractions such as Wallis Sands and Ellacoya State Beaches, Water Country, and Canobie Lake. Daily special events, including Christmas in July, It's Everyone's Birthday, Halloween in August, Tee Shirt Tie Days, and contests helped offer the attending children an exciting variety of activities besides arts and crafts and games. Tennis and Swimming lessons were also offered and were completely sold out. A summer of special dance classes was also offered through "Children's Dance Workshop". During the summer children also participated in the "N.H. State Hershey Track and Field Meet," and many of the team members did quite well.

The popular Bow Family Arts Series continued with seven appearances of different artists throughout the year highlighted by storyteller and songstress Purley Gates who played to a good sized crowd after her three day "Artist in Residency" program at the Bow Elementary School. This Arts Series is made possible only through donations of Bow businesses, the Bow Parent Teachers Organization, and civic groups along with matching grant support for the State Council on the Arts.

Adult programs included a variety of exercise programs such as aerobics, stretch and flex, and "Body Tone Up". Other adult programs included three Men's Pick Up Basketball programs and two Pick Up Co-ed Volleyball programs. The "Bow Young at Heart" Senior Citizens group continue to enjoy their trips to the mountains, plays, and shows with programming assistance from the Department.

The Department continually seeks to add new recreational programs according to the interests of the citizens of Bow. If you would like to offer a program or would like to see an activity offered, contact the Parks and Recreation Department at 224-9361.

PARKS MAINTENANCE: The Department continues to strive to upgrade and maintain Bow's public recreational and parks facilities. All park maintenance is done by Parks Groundskeeper Joseph Page with assistance by Director Christy as needed. For tasks requiring more than one or two persons or heavy equipment the Department wishes to thank the Town Highway Department for their great assistance. There are currently no part time maintenance workers in the Department of Parks and Recreation, these positions having been eliminated some time ago.

The Department currently maintains four ballfields and soccer fields at two parks as well as the Town boat ramp, the grounds of the Baker Free Library, and one playground in back of the Town Building. Besides the daily mowing of grass, dragging and lining of ballfields, the rubbish removal, the Department made special efforts to improve ball field turf areas this year. All turf areas were fertilized twice this year and the grass baseball infields of Gergler and Sargeant were partially replaced with sod sods this past fall. The Department is currently establishing a park maintenance plan for all fields which will include regularly scheduled cycles of fertilizing, reseeding, and use of weed killers as needed. The Department continues its routine practice of edging and recutting baseball infields, coaches' boxes, and base paths and the adding of new stone dust infield material as required.

Six new heavy duty picnic tables were constructed by the Department and will be installed in the parks this spring. Also, a new set of regulation soccer goals was acquired and they will be installed at Gergler Field this fall.

In addition, the Department continued to reconstruct park fences, benches, and bat storage boxes as required. The Department also maintains the Town's ice skating pond and last winter we had good skating for close to three months.

The Bow Highway Department again deserves a special thanks for their assistance in maintaining the Parks and Recreation Department's powered equipment, hauling of heavy materials, grading the Town park parking lots, and in helping clear some of the land early on at the new field project at Hanson Park. The Department also wishes to acknowledge and thank the staffs of the Bow Memorial and Elementary Schools, the Bow Athletic Club, and Bow school bus garage, The Bow Police Department, Town Manager, Town Hall employees and the Selectmen for their cooperative efforts this year. In addition, the Department wants to thank the citizens of Bow for their support and for the many volunteer hours they have donated to the Department for special events and trips.

Respectfully submitted,
JIM LOOMIS, Chairman

REPORT OF TOWN BUILDING INSPECTOR

To the Residents of Bow:

I hereby respectfully submit my 1991 report.

The total number of building permits for 1991 was 121. This includes additions, pools, garages, nonresidential building. Out of the total number came 34 new homes, a slight increase over 1990. Though the economy has slowed, Bow is holding steady.

The average estimated cost per new home in Bow for 1991 was roughly \$116,000 per home without land, septic system, well and landscaping.

As you know the Town has completed re-evaluation. This department has been busy trying to handle your concerns and questions regarding this matter. Thank you for being patient and understanding.

This department has been working on creating a new section to Evans West Cemetery. I am happy to report the section is now completed and will be available in 1992.

The following is a breakdown on inspections completed. Many buildings are still in various stages of completion and cannot be totaled in at this time.

Foundations	83
Rough framing	86
Rough electrical	81
Rough plumbing	59
Chimney/Fireplace	59
Final Inspection	82
Certificate of Occupancy	73

Total amount of revenue collected through this department in 1991 was \$24,872,58.

Respectfully submitted,
BUD CURRIER,
Building Inspector

Single Family Building Permits Issued

PLANNING BOARD

The last two years of economic slow down in New Hampshire caused a dramatic decrease in the number of housing developments approved by the Planning Board. This year was no exception. The Planning Board, however, has prudently used this time to tend to more administrative and sub-committee work. The majority of that work was conducted through the Master Plan Revision Committee. There is a report by that sub-committee elsewhere in this town report. The Planning Board continued to hold monthly meetings during the past year.

The Board is also responsible for the continued update of the Capital Improvements Plan for the Town. As with prior years, the Board was involved in the capital improvements planning process in 1991. The goal of the capital planning process is to assure the costs for capital items are controlled and equalized on a long term basis, so as not to adversely affect your tax burden in any given year. The Board continues to recommend that the Capital Improvement Plan be fully funded in this and future years. Long term capital assets should never be funded with current cash expenditures and long term leases can be very costly. Saving ahead and letting the capital reserve amounts earn their own interest is the most economic vehicle to use.

The Planning Board also recognizes and acknowledges the excellent professional services provided to the Planning Board by the Central New Hampshire Regional Planning Commission. Under the terms of a contract between the Town and Commission, the Commission provides professional land planning services to the Town, as well as at each of the Board's regular monthly meetings. The Commission also attends the monthly meetings of the Master Plan Revision Committee and will continue until that Committee's work is completed, which should be March of 1992. The presence and assistance of the Planner has not only been a tremendous benefit to the Town's citizens who have filed matters to be presented to the Board, but also to the Board itself. The quality and caliber of the Board's review of various applications before it has increased as a direct result of the assistance of these professionals.

As a final matter, the members of the Board themselves deserve a tremendous thank you and acknowledgement of a job well done. In particular, I would like to acknowledge the following individuals, Peter F. Imse, G. Michael Becker, Robert Wester and William Blanding. All of the members, both past and present, have been a dedicated and hardworking group who have nothing but the best interests of the Town in mind as they carry out the Board's business. The Town is truly fortunate to be served by these volunteers.

BOW MASTER PLAN REVISION COMMITTEE

For the past year, several members of this community have been working very diligently towards the updating of the Town's "Master Plan". They have been working on its seven major components:

1. Goals and Objectives
2. Development of a Land Use Map
3. Population and Economics
4. Transportation
5. Housing
6. Community Facilities
7. Conservation/Recreation

The committee has completed two of the above segments (1 & 3) and have submitted them to the Planning Board for public hearings in December. The remaining segment will be presented to the planning board up through March 1992 and subsequently will be noticed for public hearings.

The revision process of the Town's Master Plan allows an opportunity for the residents and officials of the town to participate in planning the Town's future and for their recommendations to be recorded for the guidance of the Planning Board. Anyone interested in participating in the revision process is encouraged to contact a member of the subcommittee.

I would like to take this opportunity to thank each and every person who has helped this subcommittee in any way since it began some seventeen months ago. I believe this town is very fortunate to be able to have these folks as citizens. They are the epitome of dedication, diligence and professionalism and I have thoroughly enjoyed working with these board members.

Respectfully submitted,
THOMAS V. PELLETIER
Chairman

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 19 towns and the City of Concord in Merrimack and Hillsborough Counties. The Town of **Bow** is a member in good standing of the Commission.

The CNHRPC is organized under RSA 36:45-53 to prepare coordinated regional plans and to assist communities with local planning activities.

Our accomplishments over the last year include:

Regional Planning: The Commission adopted the *Land Use Element of the Regional Master Plan* at the annual meeting in May. Staff is meeting with planning boards to explain the recommendations of the plan.

Housing: The CNHRPC began to debate conclusions and recommendations for the draft housing element of the regional master plan, distributed during the Fall. We sponsored a discussion of the implications for local zoning of the Britton vs. Chester NH Supreme Court case at the November 21, 1991 Commission meeting. Staff is meeting with planning boards to discuss both the housing element and the Chester court case.

Transportation: The Transportation Advisory Committee completed and adopted in 1991 the *Regional Truck Route Study*, an element of the regional transportation plan, due for completion in 1993. The Committee also completed and adopted the *Steeplegate Mall Traffic and Land Use Study*. The study brought together planners from Chichester, Concord, Loudon, and Pembroke to identify traffic and land use issues of mutual concern and to develop strategies to preserve and enhance traffic mobility and land use compatibility in the area in preparation for the eventual growth and development in the mall area.

The CNHRPC continued to provide support for the public participation and environmental reviews for the Concord to Spaulding Turnpike EIS and preliminary design study.

Work began on the EIS and design of the Hillsborough Bypass. The Commission is responsible for public participation, parts of the EIS, and to review the design.

Solid Waste: The Commission continues to assist the Central NH Solid Waste District in implementing its state approved *Solid Waste Management Plan*. The Commission had assisted the Central and Hopkinton-Webster districts in the preparation of their plans and with obtaining state approval.

Recycling: The CNHRPC prepared a regional recycling status update, funded by a grant through the Governor's recycling initiative.

Household Hazardous Waste Collection: The CNHRPC organized its third household hazardous waste collection on October 5, 1991, with collection sites in Allenstown and Henniker. Cosponsors were the Towns of Allenstown, Bow, Dunbarton, Henniker, Hopkinton, Pembroke, Sutton, Warner, Washington, and Wilmot.

River Management and Protection: The Commission cosponsored the successful nomination of the Contoocook River to the NH Rivers Management and Protection Program. The Commission helped organize and will provide technical assistance to the Federal Wild and Scenic River and NH River Management and Protection Program studies for the upper Merrimack River.

Geographic Information System (GIS): The system, designed to map and manage geographic information, was used for the regional land use, transportation, and housing plans and for the Bow, Pembroke, and Salisbury town plans.

During 1991 RPC staff met with the planning board to discuss current and future town planning tasks, your priorities for the Regional Planning Commission, the progress of the regional master plan, and our GIS. The CNHRPC continued to provide a town planner, one day a week in **Bow**.

ZONING BOARD OF ADJUSTMENT

During 1991, the members of the Bow Zoning Board of Adjustment held regular monthly meetings, and held twenty-five regular public hearings.

Again this year the Board has had to interpret the Ordinances with respect to gravel pits, off-site and over-sized signs, sideline setbacks, day care, etc. We have been fortunate to have the Planning Board help us deal effectively with our actions.

Our policy of on-site inspections prior to any public hearing gives us further insight into the reasonable interpretations of our zoning ordinances.

Monies taken in by the Zoning Board of Adjustment for the 1991 year are as follows:

25 applications at \$60.00 each equals: \$1,500

We thank the townspeople for their cooperation at our meetings and look forward to their input in 1992. The Board is most appreciative of the support by the Board of Selectmen and all other Boards and Commissions, together with Mr. Bud Carrier, with whom they have worked during 1991.

BRUCE CRAWFORD, Chairman
BARBARA JOHNSON, Vice Chairman
WAYNE EDDY, Secretary
HOWARD CROSS
MARC NORMANDIN
VALERIE LYNN, Alternate
RICHARD WELCH, Alternate
SHARON GREENE, Recording Secretary

BUSINESS DEVELOPMENT COMMISSION

The Business Development Commission's importance to the community became even more apparent in 1991. Communities through out the state are competing for new and existing businesses. Bow must provide qualities and incentives above our competition. The Commission is working on various ideas to attract business to Bow.

In March 1991, the Town appropriated \$35,000 to conduct a water and sewer study to determine the economic feasibility of extending sewer lines and developing a municipal water system. The contract was awarded to the engineering firm of Stearns & Wheeler. Work on the study began in October 1991. The study should be completed by early spring, 1992.

In conjunction with the water and sewer study the Conservation Commission is completing a water study in the industrial zone area to locate potential well sites for a municipal water system. Stearns & Wheeler is also working on this study. The Business Development Commission is pleased that two commissions are working to compliment each other's efforts on the water project.

In 1991, the Selectmen appointed members from the Business Development Commission as alternates on the Planning Board and Zoning Board of Adjustment. In addition, we have a member participating in the revision of the master plan. Participation on these boards enhances the communication within town government.

The Commission will continue working with existing businesses. Businesses that need assistance are encouraged to contact the Commission.

We look forward to successful completion of the water and sewer study and continued economic development. Taxpayer support of this study and our future activities is appreciated. We hope that our efforts will enhance the standard of living for all residents.

Respectfully submitted,

ROBERT A. DAWKINS, Chair
RICHARD WELCH, Vice Chair
PAUL GILDERSON
PAUL LINS
RICHARD MANBURG, Secretary

BOW CONSERVATION COMMISSION

The Bow Conservation Commission welcomed Richard Sheridan to fill the expired term of Kathy Quellette. Many thanks to Kathy and her efforts on behalf of the BCC during her term.

Adam Cheney, Amy Woodland and Summer Hirshfield were the recipients of the annual conservation camp scholarships.

Numerous subdivision plans, intents to cut timber and dredge and fill applications were reviewed and action taken where necessary.

The main thrust of the commission this year centered around hiring an engineering firm to perform a seismic refraction study on four aquifer locations deemed to have the greatest potential. The firm chosen was Stearns and Wheeler which began their field work this fall. Compilation of the data and final results of the study should be forth coming in early 1992.

Over the past several years not much has been due with regard to forestry management mainly due to poor prices for timber. With renewed interest we will be reviewing each block and parcel for timber stand improvement. Additional concerns are salvaging some revenue from timber that has been affected by the gypsy moth infestation.

The Bow Conservation Commission will continue its conservative and profitable management of town lands and natural resources for present and future generations.

HEALTH OFFICER'S REPORT

Health Officer's Report for the year ending November 30, 1991.

Inspection of several Family Day Care Centers.

Review of rental property having no heat for tenants.

Inspection of Pre-School Day Care Facility.

Review of private water wells on Route 3A being contaminated.

Help provided by the State Water Pollution Dept.

Inspection and testing a home for evidence of lead.

No reported Communicable or Infectious Diseases.

Respectfully submitted,
ETHAN V. HOWARD, JR. M.D.
Health Officer, Town of Bow

CONCORD REGIONAL VISITING NURSE ASSOCIATION ANNUAL REPORT OF THE TOWN OF BOW

The Concord Regional Visiting Nurse Association continues to offer three major health services to the residents of Bow: Home Care, Hospice and Health Promotion.

Home Care services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting.

Hospice services provide professional and paraprofessional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical, emotional and spiritual needs. This is a Medicare Certified Hospice Program in New Hampshire.

Health Promotion services focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting healthy children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: child health, family planning, sexually transmitted disease, adult screening, immunizations, and HIV (AIDS) testing and counseling. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior Health services are provided at congregate housing sites. Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home visit or clinic visit.

Anyone in Bow may request service; patient, doctor, health facility, pastor, friend or neighbor. All requests are answered, but continuing home care will only be provided with a physician's order.

A call to the Concord Regional Visiting Nurse Association (224-4093) between the hours of 8:00am - 4:00pm seven days a week is all that is necessary to start services or make inquiries. A nurse is on call for hospice and home care patients; (224-4093) 4:00pm - 8:00am daily.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, federal regulations require a financial statement be completed by the patient or responsible person. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of NH and is a member agency of the United Way of Merrimack County.

Total visits made during the year Oct. 1, 1990 through Sept. 30, 1991:

	<u>No. of Clients</u>	<u>Visits</u>
Home Care/Hospice	39	750
Health Promotion	<u>60</u>	<u>110</u>
Total	99	860
4 Blood Pressure Clinics		

BOW CITIZENS FOR RECYCLING

In 1991 the former Bow Citizens for Recycling became an official town committee with seven members appointed by the Selectmen. We would like to stay a grass roots type of organization, though, so we want to encourage any interested person to come to our meetings. These meetings are now set for the second Thursday of each month at 7:30p.m. at the Municipal Building at 10 Grandview Road.

In 1991, our committee has focused on adding plastics recycling to our program. Initially we checked on the amount of interest in this project by asking people to sign a petition if they supported the purchase of trailers for the collection of recycling of plastic. Over 300 people signed that petition which encouraged the budget committee to support the project. The townspeople voted to spend the money at the town meeting last March with little or no opposition.

Next, the committee prepared a lengthy grant application applying for matching funds from a special government recycling program to help defray the cost of the trailer. Unfortunately, as this was the last funding cycle for the program, many other towns applied for money as well. As there were not enough funds to support all of the eligible projects, the funds were divided among the communities. Last July we finally heard that Bow had been granted \$1,200. This was a lot less than the approximately \$4,500 that we had been hoping for but we were glad to get something.

The Recycling Committee assisted the town in putting the trailer out for bid. We also spent a lot of time researching different types of trailers before we made our recommendation to the Town Manager.

Plastics recycling has now begun and our trailer has been filled and emptied three times (as of January 9th). That is a lot of plastic! Keep up the good work!

In 1991 we also found a new local market for our recycled NEWSPAPER. Farmers have started using shredded newspaper in animal stalls instead of sawdust which became very expensive. After the stalls are cleaned the newspaper is plowed into the fields where it decomposes very quickly. We are very pleased to have Jim Stone of the Stone Farm in Dunbarton using our recycled newspaper. Our transportation expense is much lower and we are happy to help a local farmer.

1991 also brought a wonderful new program at the Concord Regional Solid Waste/Resource Recovery Cooperative which negotiates with the owners of the incinerator for the disposal of solid waste (for Bow and other communities). With this new incentive program, Bow received \$37.45 for every ton it recycled since May 1st, in addition to the money the town received from the sales of the recyclables. This program made our recycling program much more profitable last year. We are very pleased that the program will continue this year and will insure that our program is economically successful in 1992.

In the education arena, members of our committee gave talks to local clubs and taught a class at Bow Memorial School. The schools are doing a great job with awareness. Several parents have reported being scolded by their children for not recycling!

In 1991, the dedicated residents of Bow recycled:

- 106.79 tons of newspaper
- 6.68 tons of aluminum
- 71.42 tons of glass
- 10.62 tons of tin cans, and
- Approximately 1 ton of plastic.

These figures are very good for a town our size. You all deserve a lot of credit.

Now our committee is looking at long range plans for improving the recycling program. If Bow had a building to store recyclables and a baler to bale cans, plastic and newspaper, it could have a much better program. Baled materials are much more economical to transport and bring a higher price. Also we would like to look into recycling cardboard and establishing a swap shop. A swap shop would simply be a place where the residents of Bow could leave items which are still usable (rather than throw them away). Then anyone who had a use for that item could take it home (for free).

Call us with your ideas. Thanks for recycling!

CABLETELEVISION ADVISORY COMMITTEE

Continental Cablevision has requested to begin negotiations with the Town of Bow for a new multi-year agreement. The current Town of Bow Cable Television License will expire on September 24, 1994.

Prior to entering into a new multi-year agreement with Continental Cablevision, the Board of Selectmen has established a Cabletelevision Advisory Committee to determine the long-term needs of the Town which would ultimately be included in the renewal agreement.

To assist the committee prior to making any recommendations to the Town of Bow on a renewal agreement, the enclosed survey has been developed to be used as input to help the committee determine the community needs and interests.

Please fill out the attached survey and return it to any one of the committee members listed below or drop it off at the Town Municipal Building by April 1, 1992. Also, arrangements will be provided to collect the surveys on voting day at the Community Building.

Your input is very important in order for the committee to provide a recommendation to the Town regarding the renewal of the cable agreement.

UPPER MERRIMACK RIVER LOCAL ADVISORY COMMITTEE 1991 REPORT

The Upper Merrimack River Local Advisory Committee convened its first meeting in November, 1991. The Committee consists of 20 individuals nominated by officials of the seven communities bordering the 30 miles of river between the Hooksett Reservoir and the confluence of the Pemigewasset and Winnepesaukee in Franklin. Over the next two years, the Committee will work jointly with the National Park Service and New Hampshire Department of Environmental Services to:

1. Evaluate local resident and landowner attitudes and opinions regarding present and future management of the river and its related resources;
2. Evaluate current management of river-related resources and make recommendations regarding future management at the local and state levels;
3. Assist in the implementation of management recommendations. For any recommended changes in local ordinances, adoption will be subject to town meeting vote;
4. Evaluate community attitudes regarding possible designation of the Upper Merrimack as a component of the National Wild and Scenic Rivers System.

In August of 1993, the National Park Service must make a recommendation to Congress concerning whether or not the Upper Merrimack ought to be added to the list of rivers receiving federal protection through inclusion in the National Wild and Scenic River System. A Wild and Scenic designation would afford protection to the river from any federally assisted, licensed, or funded actions related to the river that would degrade the river's natural or cultural values.

The Committee meets monthly.

REPORT OF THE BOW ROTARY CLUB

The Bow Rotary Club has approximately 60 local professional men and women members. The Club meets for a breakfast meeting at the Gristmill Restaurant each Friday morning.

Rotary International's theme this year is "LOOK BEYOND YOURSELF"

Most of our activities are directed into community projects.

Some of these projects are:

Auction: This is our major fund raiser. The money raised is used for scholarships, which are awarded to Bow students. This year we provided \$7,200 in scholarships.

Christmas Tree Sale: This is our second biggest fund raiser. The funds raised are used to support Bow organizations and activities.

Winterfest: This is an event which enables our children and adults to participate in winter activities.

Town Hall Project: In cooperation with the Town, we are in the process of patching and painting the ceiling and walls, wall papering, and refinishing the floors on the interior of the building.

Recognition Night: This annual event recognizes outstanding club members and citizens of Bow for service to our town.

Lobster Feast: The members sell tickets and put on a lobster feast for the winner and 19 of his/her guests. The profit from this event will be used to fence in the new ball field currently being constructed on Albin Road.

Bow's Celebration: This celebration was held last year in July. The Bow Rotary Club held a chicken barbecue, feeding approximately two hundred people.

Bicycle Race: The Rotary Club is planning to hold a bicycle race sometime this spring as a new fund raising project. It will enable us to contribute to more community projects.

Some of the community activities that are sponsored by the Bow Rotary Club are:

- Bow Athletic Club
- Cub Scouts
- McGruff Halloween Bags for Bow School Children
- Junior Police Program material, sponsored by
the Bow Police
- Young at Heart Club
- "Just Say No" Program
- United Way
- Bow Memorial 8th grade camp
- Bow Welfare
- and others -

The Bow Rotary Club would like to thank all of our friends and fellow towns people who have helped make our community projects so successful.

WILLIAM HILTON, President
Bow Rotary Club

Old Town Hall Project: Rotarians scrape, patch, and paint the ceiling, scrape off the old wallpaper and prepare the walls for new paper, scrape and prepare the trim for painting, and ready the floor for resurfacing. Rotarians have already scraped and painted the kitchen and toilet areas as well as installed new lighting. This community project is ongoing.
(Photo by Eric Anderson)

BOW COMMUNITY MEN'S CLUB

The Bow Community Men's Club has enjoyed another successful year. The Club meets the fourth Thursday of each month from September through May. It sponsored a series of breakfasts that were fund-raisers for our community efforts. The meetings are held in the Community Center at 6:00 P.M. with dinner and a speaker, and the meetings normally conclude at 9:00 P.M.

This past year the Club gave scholarships in the form of U.S. Savings Bonds to Bow Memorial School graduates. A special scholarship fund has been established in memory of Frank Bailey, a longtime member and the nucleus of the fund was memorial gifts given in his name.

The Club holds community breakfasts on special holidays, participated in the 4th of July "Welcome Home Troops" community event, worked with the Rotary Club on the Winterfest and has a Lobster Feast on the fourth Friday in September.

Membership is open to all males over the age of eighteen in Bow and we encourage all who are interested in assisting our community to join with us.

Let's all work together to make Bow a more enjoyable community to live in.

Respectfully submitted,
RAYMOND HELGEMOE, President

BOW FIRE DEPARTMENT LADIES AUXILIARY

The Ladies Auxiliary of the Bow Fire Department meets on the fourth Tuesday of every month at 7:30 P.M. at the Community Building. Presently we have 28 members working to support our Fire Department, a group of dedicated, hard-working men and women concerned with the safety of the people in Bow. All ladies in town, eighteen years of age or over, are cordially invited to join us. Please call any Officer listed if you are interested in becoming a member.

Our activities for 1991 were as follows:

1. We serve meals and refreshments to firefighters as needed during fires and drills in Bow.
2. We purchase special equipment for the Fire Department.
3. We sent remembrances to sick and bereaved Auxiliary and Fire Department members.
4. We served the Fire Wardens' Association supper and hosted the Mutual Aid Fire Compact dinner.
5. We sponsored two dances, one in April and one in November.
6. We contributed various donations to needy individuals and organizations throughout the year.
7. We participated in the "Welcome Home Troops" - 4th of July Town celebration.

Officers for 1992 are:

President - COLETTE LEAVITT

Vice President - BARBARA ABBOTT

Secretary - MARY LOUGEE

Treasurer - PATTY HAND

Sunshine Committee - KENDRA RICARD

If you have any questions, feel free to call me at 224-8868. Thank you!

BOW YOUNG AT HEART CLUB

1991 has been a busy year with fund raising events and activities. We have a membership of 75 and 4 honorary members. We have received 7 new members into the club and sadly, 2 members have passed away. Sixteen meetings have been held during the year at the Bow Methodist Church, with an average attendance of 35 members present.

Fund raising events have been a yard sale on April 20th, the Rotary recognition night supper on June 22nd and our annual fair on October 26th.

Our annual picnic was held at the Flag grove on July 10th and our Christmas party was held on December 12th at the "Lantern" in Manchester. These both were very well attended.

Trips taken this year were as follows:

5/22 - Indian Head Resort in Lincoln, N.H.

7/24 - Hampton Playhouse with lunch at "Yoken's"

10/2 - Foliage trip on the train from Bellows Falls to Chester, Vt., with lunch at the "Homestead" in Walpole, N.H.

On January 9th and February 13th, Frank Kotowski from Public Service Co. of N.H. spoke to us on electricity and safety for seniors in the home and on June 12th, Pat Laskowski of the N.H. Federation for Medical Care addressed the members.

On February 2nd the members were invited to a spaghetti supper by the Bow Men's Club and on March 13th, we were entertained by the Hooksettite Entertainers.

The visiting nurse has been in attendance at a couple of meetings to take blood pressures.

The members have been active in writing to our representatives in Washington in regard to Medicare and senior citizen concerns.

Several members have distributed the surplus food to town residents during the year.

A memorial fund has been set up in memory of Stanley Flagg to be used as needed and we thank the Bow Fire Dept. Auxilliary for their donation.

Special thanks go to the Rotary Club and all other organizations and individuals who have donated to our club in any way.

Our thanks also go to Chuck Christie, Recreation Director, for his usual help in arranging our trips.

Respectfully submitted,
LEO KLINGER, M.D., President
PETER STIO, Vice President
JENNIE BOONE, Secretary
LESTER HOLT, Treasurer
HERBERT CATE, Auditor

BOW ATHLETIC CLUB
YOUTH SPORTS
Basketball – Baseball/Softball – Soccer

The Bow Athletic Club was founded in 1974 as a private nonprofit organization and has grown to serve over 900 participants on more than 75 teams in three sports. While the Athletic Club is separate from both the Recreation Commission and the Bow schools, it supplements both school teams and town recreation programs.

Directed by Commissioner Mark Lavalle, approximately 350 boys and girls from first to eighth grade participated in BAC sponsored boys and girls basketball programs. The Club is affiliated with the Merrimack Basketball League, the Tri-Mountain Basketball League, and the Concord Basketball League. In the fifth and sixth grade Merrimack League, Bow's boys team went undefeated and won the championship. The first and second grade basketball clinic program headed by Paula Bailey continued to experience excellent growth over the past year with approximately 100 children participating. Additionally, the third and fourth grade program was successfully reorganized under the direction of Glenn Thornton, with a new in-town league being established.

In baseball, the Athletic Club runs programs beginning with T-ball for first grade boys and girls and in-town instructional leagues for second, third and fourth graders. Our 11 and 12 year olds played against teams from other towns in the Kearsarge Mountain League. Bow also participates in the Concord Babe Ruth League in the 13 to 15 year old age group. Most of our baseball leagues participate in some post season tournament play.

In addition to the softball instructional "clinic", BAC offered an in-town softball program for grades four through nine. Under the able direction of Bob St. Pierre, the girls softball program was redefined during 1991. In-town league for girls in grades four through six was reorganized and expanded to include two teams from Dunbarton. A new in-town league was created for girls in grades seven through nine. The season's end was highlighted by a very successful double elimination tournament. Again in 1991, we fielded a successful Junior Miss softball team comprised of eager 13 to 17 year olds.

Under the direction of Commissioner Don Young, Bow participated in the Merrimack Valley Soccer League. In 1991, we fielded four third and fourth grade teams and four fifth and sixth grade teams. The Athletic Club also sponsors a boys seventh and eighth grade team for those not on the school team which plays against similar teams from Weare, Hopkinton and Concord. In the fifth and sixth grade league, the Bow boys team won the Merrimack Valley championship. There was also an after-school instructional program for aspiring soccer players in first and second grade, which attracted approximately 100 boys and girls.

This past year, BAC once again initiated bringing the traveling North American Soccer Camp to Bow for a week of instruction conducted by English soccer coaches. Last year, 75 children enrolled in this five day camp held in Bow.

BAC programs are not funded by town taxes. Instead, money is raised from sponsors, raffles and donations from individuals and from the generous service organizations in Town, including Rotary and the Men's Club. The annual budget is approximately \$15,000. We have traditionally tried to keep registration fees modest (currently \$10/child - \$15/family for most sports) so all who are interested can participate.

BAC teams in various sports have distinguished themselves again this year by winning tournaments and trophies. However, our programs are built on the belief that full participation by all is the most important part of youth athletics. We are proud of our tradition of creating additional teams and well balanced leagues to ensure that all who want to play, can play. All coaching is done by volunteers, many of whom have received their training and certification through the BAC sponsored National Youth Sports Coaches Association Program.

The involvement of Bow parents as coaches, referees, league commissioners and concession stand operators is often the envy of our counterparts in other towns. However, we can always use more help. If anyone is interested in sponsoring, coaching or refereeing in any sport, they should contact one of the officers of the Club. Notices of BAC's monthly meetings are run in the Monitor sports section, Round-Up column.

The Town's Annual Report gives the officers and directors the opportunity once again to express our gratitude to all of the Athletic Club's supporters. In particular, special thanks are extended to Jim Loomis, Norm Peterson, Terry Shumaker, and Walt Stevens, who are leaving the Board after many years of service. They have all made significant contributions which are greatly appreciated.

BOW-SA-DO SQUARE DANCE CLUB

This year we celebrate our 5th year of providing fun, socialability and soft aerobic benefits through square and round dancing.

It provides an opportunity to dance, visit with friends and lift your spirits. This leisure activity meets today's lifestyle - a healthful exercise in a fun, local and inexpensive environment. Actually, square dancing is friendship set to music!

The BOW-SA-DO SQUARE DANCE CLUB "squares up" on the second Saturday of each month at Bow Memorial School from 8:00 to 11:00 P.M. Our Introduction To Square Dancing Nights will begin the second week in September.

April 24 & 25, 1992, Manchester, N.H. will host the "34th New England Square and Round Dance Convention", where thousands will dance. One of these dancers could be you! Come, visit and see for yourself, how so many people can have so much fun at the same time!

We say, "If you can *walk*, you can learn to Square Dance"!...in fact, our club motto is, "WE SHARE THE FUN!"...come share it with us!

For additional information about square dancing just call 224-6639 or 225-6234...You'll be happier and healthier when you do!

BOW GARDEN CLUB

Once a month, from April - December, the Bow Garden Club meets for the purpose of encouraging interest in all phases of Gardening, Protection and Conservation of Natural Resources and Landscape Design, Civic Beautification of the Community, and Environmental Concerns.

The Club eagerly cooperated with other town organizations in order to assist with special projects. Table arrangements were made for the Bow Rotary Club's Recognition Banquet in May; boutonnieres and hand carried floral arrangements as well as two large bouquets for the stage were made for the Bow Memorial School graduation; contributions were made to the Camp Sargent Conservation Camp for the 9th grade project for environmental educational activities; assisted in the state wide Lilac Day Sale and provided Christmas wreaths for all the public buildings in town.

Working each month April-October provided many lovely handmade items for our Christmas '91 meeting and boutique. This was an open meeting and other state garden clubs attended.

During the month of May, club members filled the barrels and urns at the Baker Free Library and plantings were done at the Bow Town Hall. Herb plantings previously at the Baker Free Library will be relocated.

Contributions were made to the Lilac Endowment Fund in memory of Mrs. Richard (Sally) Welch and to the Scholarship Fund in memory of Mr. Charles Smith. Further contributions were made to the State Headquarters Fund, Concord High School Prom Party & Bow Thanksgiving Baskets. Subscriptions to Wildlife, Ranger Rick and Horticulture Magazine were made to the Baker Free Library.

Aside from our monthly meetings, members took part in New Hampshire Federated Garden Club Advisory Board Meetings held in Concord, Design Times held in Goffstown, New England Regional Meeting held in Connecticut and yearly and semi-annual New Hampshire Federated Garden Club meetings held in Portsmouth and Laconia.

All interested gardeners are encouraged to join the Bow Garden Club by contacting any of the following officers:

President: Mrs. John Mueller - 226-3360
Vice-President: Mrs. Carl Jarda - 225-8804
Secretary: Mrs. Norman Bouchard - 224-4493
Treasurer: Mrs. Vincent McCarthy - 224-6967
Auditor: Mrs. Douglas MacDonald - 224-2903

BOW CLOVERS 4-H CLUB

The Bow Clovers 4-H Club began its 1991 year with fifteen members. Our leaders are Velma Van Dyke and Nancy West. Club officers are: President, Nicole Van Dyke - Vice President, Laura West - Secretary, Jennifer Moss - Treasurer, Rebecca West - Reporter, Jessica Reid - Photographer, Jennifer Kuhr - Caller, Mary Moss.

4-H youth education programs are made possible by the cooperative arrangement between the U.S. Department of Agriculture, the state land grant college and county government. The Cooperative Extension Service is a part of the Life Sciences and Agriculture of the University of New Hampshire. There is an Extension office representing UNH in each of the 10 counties throughout the State. This gives participants and leaders of programs direct contact with the person administering the program. It is available to both boys and girls and it is a "learn by doing" involvement. It also is diversified and promotes the development of each individual's interest by allowing members to "Make their Best Better".

Our club is involved with local, county and state activities throughout the year. Some of the local activities are: Operation Santa Claus, fundraising with cookie sales, making up food baskets for the needy at Thanksgiving, going to the State Hospital to entertain the residents, participate in our local 4th of July parade and planting flowers at the Bow Bog Meeting House. Our County activities include public speaking, favorite food show, demonstration day, 4-H fashion review, Mini Fair and Hopkinton Fair. Some of the County winners go on to compete with the nine other counties for a state winner at UNH in Durham.

We as a club offer sewing lessons, cooking lessons, a wide range of craft instructions, keeping written records of activities and scrap books. Our goal is to increase leadership capabilities, positive attitudes and allow young people to develop competencies, acquire knowledge and practical skills as well as encouraging them to do their best in all aspects of life.

Respectfully submitted,
NANCY WEST, Group Leader

SWIFT WATER GIRL SCOUTS BOW SERVICE UNIT

It has been a year of excitement and new experiences. In the Bow community of Swift Water Girl Scouts we have 13 registered troops from the Daisy age level (kindergarten) to Senior Girl Scouts (high school). We number 180 girls and 40 active leaders. There are many other adults who contribute time and energy to the Girl Scout program in Bow. These adults work as Cookie Managers, drivers, chaperones and helpers at the troop meetings. The Bow Service Unit has received the honor of being the unit with the highest penetration rate in getting girls involved in Girl Scouting in all of Swift Water Council.

Another first for the Girl Scouts in Bow, was having a girl receive her Gold Award. This award is the highest earned award a Girl Scout can receive. Also this year we were honored with two girls who received their Silver Awards. The Silver Award is earned in the Cadette age level. Our congratulations to Dawn McGartland (Gold Award), Jennifer Kezer, and Allison Ward (Silver Award).

As it is stated in the Girl Scout Promise "To help people at all times", the Girl Scouts in Bow actively engage in service projects throughout the year. Troops have participated with the Boy Scouts in the Scouting for Food Drive, assisting at the Special Olympics in Concord, and making puppets for hospital children's wards. They help in clipping soup labels, Town of Bow's christmas tree lighting, decorating Christmas trees at the Concord Hospital, the library, and the VA Hospital. The girls also went caroling at nursing homes and stenciled cards for nursing home residents. One of the troops played Bingo at a retirement home. Troops made sewing kits and established a drive to collect and send personal care items to the military personnel in "Desert Storm".

To kick-off this year of Girl Scouting we held our 3rd Camporee. It was held at Camp Farnsworth, VT. We had 172 girls and adults in attendance. The theme for this camporee was activities from the Council patch program "Kids are Kids", a disability awareness program. The service project that was done was to build a wheelchair ramp into a platform tent. Also the girls made a quilt for the camp dining hall. Each girl made a quilt square relating their feelings about disabilities. The quilt is on display at the Mary Baker Eddy Library while the camp dining hall is under construction.

Troops also participated in sleep-overs at the Boston Children's Museum, Boston Science Museum, and the Montshire Museum. Also, girls have attended musicals at Notre Dame College. Field trips are taken throughout the year to dentist offices, police stations, the Municipal Building, NH Fish & Game, and the Audubon Society. Several troops went troop camping and hiking in the White Mountains. Also many of the troops participated in parades in Concord and the Bow Independence Day parade.

A philosophy of the Swift Water Council is to provide ongoing training for leaders. This year 10 leaders received their Covered Bridge Awards for completing 150 hours of training and one leader received a bar for 300 hours of training. I would like to take this time to thank all the leaders for their many hours of time that is directed to Girl Scouts for training, planning meetings and other activities to make Girl Scouting in Bow so great!

Respectively submitted,

MARIE McMILLEN
Service Unit Manager

BOY SCOUT TROOP 75

Boy Scout Troop 75 is pleased to report another excellent year. We began this year with 21 Scouts registered and Andy Richardson as our Senior Patrol Leader. Working with Andy are our current patrol leaders Tim McMillen and Tom Bailey.

Last January we again braved the sub-zero temperatures and survived another annual winter camp out in snow shelters. In February we competed in the Wannalancit District Klondike Derby. Starting in April under Andy's leadership the troop earned the first place award at the District Camporee. This spring we canoed up the Merrimack River to Sewalls Falls and then back down to our secret island camp ground. We ended our scouting year in June with a compass hike and our annual year end campout and troop feast. The Scouts fed themselves and their families many delicious meals prepared on open fires. Along came the hot summer where Troop 75 spent a week camping, swimming, boating, fishing, canoeing and working on badges at the Hidden Valley Scout Reservation Boy Scout Camp. Starting up again this September 23, we along with over 5000 other Scouts from all over New Hampshire, attended the Daniel Webster Council Big Adventure Jamboree, campout and concert. In November we visited Battleship Cove and slept on the battleship USS Massachusetts.

Also in November with a lot of help from our friends in the Girl Scouts we participated in a national BSA service project called SCOUTING FOR FOOD. We delivered, door to door, over 2000 bags and a week later collected over 5200 can goods for this food drive. These goods were then distributed locally by the National Guard.

Troop 75 meets every Tuesday during the school year at the Bow Community Building from 7:20 p.m. to 9:00 p.m. Any boy, age 11 to 18, is encouraged to come and join us.

Respectfully submitted,
Scoutmaster Troop 75
Dave Colantuoni

BOW HISTORICAL COMMISSION

Meetings of the Historical Commission are held on the third Thursday of each month at the Municipal Building on Grandview Road. In the past year extensive repairs have been made to renovate and improve the interior of the old Bow Town Hall on Bow Center Road. The Rotary Club has donated labor and materials for painting walls and rebuilding the kitchen ceiling. At the present time walls are being made ready for papering in the spring, paper has been purchased for this project. A gas toilet has also been installed. Hopefully, these improvements will help make this building available for more effective use. Uses of the building are being considered by the Historical Commission. We are also asking for input from the Selectmen and local organizations.

A recent meeting was held at the Baker Free Library where some old documents are stored and also the vault at the Municipal Building was inspected and found to contain some old records. We are looking for ways that some of these old records and documents can be displayed and better ways to preserve old newspaper clippings and records, some dating back to the 1700s.

It is our hope that the coming year will be a productive one for the Historical Commission and that we are able to maintain and use present historical areas effectively. We would be happy to hear any ideas or thoughts as to other ways the Commission could help. Please feel free to contact a commission member.

Respectfully submitted,
MELBA TERRELL, Chairman

REPORT OF THE ANNUAL MEETING OF THE BOW SCHOOL DISTRICT

Friday, March 22, 1991

A duly called meeting of the voters of the Bow School District was held at Bow Memorial School on Friday, March 22, 1991. The meeting was called promptly to order at 7:00 P.M. by Moderator, Dom S. D'Ambruoso. The presentation of the colours was by members of Troop 75, Boy Scouts of America. The scouts were Eben Herrick, Andy Richardson, Jason Duckworth, David Roberts, and Daniel Horan. Following the Pledge of Allegiance, Reverend William Keefe gave the Invocation. The Moderator introduced the members of the School Board, the Clerk and the representatives from SAU #19. He then announced the names of those elected last Tuesday as Betsy Miller, school board for a three year term, Anne Baier, school board for two years, and Marie McMillen, school board for one year. The moderator reviewed the rules and expectations of conduct for the meeting. The reading of the School District Warrant resulted in the following actions being taken:

ARTICLE #1: Was moved and seconded. Since this Article was a Bond Issue, the voting was by secret ballot and the polls remained open for one hour. It was voted to appropriate the sum of One Million Six Hundred Thousand Dollars (\$1,600,000.00) for the purpose of constructing and equipping an addition and renovations to the Bow Elementary School; for renovations of Bow Memorial School; for improvement to the school fields; the costs incidental and related to the foregoing purposes; said sum to be in addition to any bond investment interest and other local, State or Federal funds made available therefore and to authorize the Treasurer with the approval of the School Board to issue bonds or notes of the District under and pursuant to the Municipal Finance Act (Chapter 33 of the Revised Statutes Annotated of New Hampshire, as amended) in order to raise this appropriation; and, further, to authorize the School Board to determine the details of such bonds or notes and to provide for their sale, award, issuance and delivery; said Board to have the discretionary powers described in Section 8 of said Chapter 33 with respect to said notes or bonds. (recommended by the Budget Committee). The vote was Yes - 387, No - 156, and Invalid - 1, and was passed by more than a two-thirds majority.

ARTICLE #2: Was moved and seconded. It was voted to accept the salaries of the School Board and fix the compensation of any other Officer or Agent of the District.

ARTICLE #3: Was moved and seconded. It was voted to accept the reports of Agents, Auditors, Committees or Officers chosen as they are printed in the Town Report.

ARTICLE #4: Was moved and seconded. It was voted to authorize, under the provisions of RSA 198:20-B, the School Board to apply for, accept, and expend without further action by the School District Meeting, money from any source which becomes available during the 1991-92 school fiscal year provided that such expenditures be made for the purposes for which a school district may appropriate money. Further, that the School Board hold a public hearing prior to spending such money.

ARTICLE #5: Was moved and seconded. It was voted to raise and appropriate the sum of Eighteen Thousand Dollars (\$18,000.00) for a deficit appropriation in the 1990-91 budget for the purpose of meeting fiscal obligations arising because of an out-of-court settlement relating to a special education placement. (recommended by Budget Committee)

It was then moved and seconded to pass over Articles #6, 7, & 8 while the vote was being counted on the Bond Issue, these articles to be taken up later in the evening. This motion passed and the discussion moved on to Articles 9 and 10.

ARTICLE #9: Was moved and seconded. It was then amended to read Friday night instead of Saturday night. The motion to amend Article #9 was seconded and passed by a standing vote, with 236 in favor of the amendment and 169 opposed to the amendment. It was voted to advise the School Board to establish Friday as the day for the 1992 Annual School District Meeting pursuant to RSA 197:1.

ARTICLE #10: Was moved and seconded. It was voted to advise the School Board to pursue the withdrawal of Bow from School Administrative Unit #19 resulting in an independent school district.

ARTICLE #6: To see if the District will vote to raise and appropriate the sum of Two Hundred Fifty-Four Thousand Two Hundred Thirty-Seven Dollars (\$254,237.00) to fund those cost items related to the additional costs associated with an increase in teachers' salaries and benefits for the fiscal year 1991-92 attributable to the collective bargaining agreement between the Bow School Board and the Bow Education Association, such sum of money representing the additional costs attributable to the increase in teachers' salaries and benefits over those paid in the 1990-91 fiscal year. (Recommended by Budget Committee). Article #6 was moved and seconded. Betsy Miller then amended Article #6 to substitute the amount requested to be Two Hundred Fifty-One Thousand One Hundred Thirty-Three Dollars (\$251,133.00), due to a reduction in the state mandatory retirement contributions. The amendment was seconded and passed. Another amendment was then submitted to change the amount requested to be One Hundred Twenty-Five Thousand Five Hundred Sixty-Six Dollars and Fifty Cents (\$125,566.50), which represents approximately a 4.5% raise for the teachers. This amendment was seconded and passed by a voice vote. Article #6, as amended, was passed by a ballot vote of Yes - 278, No - 179. The amended amount, being less than the amount agreed upon between the Bow School Board and the Bow Education Association through collective bargaining, will be presented to the BEA for their consideration.

ARTICLE #7: To see if the District will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000.00) for the purpose of upgrading and improving the ventilation systems in the Bow Schools. The article was read and seconded. A motion was made by Robert Gosling, of the School Board, to dismiss Article #7 because this amount to improve the ventilation systems was included in the bond issue voted on in Article #1. A voice vote resulted in the dismissal of Article #7.

ARTICLE #8: To see what sum of money the District will raise and appropriate for the support of schools, such sum being exclusive of all special warrant articles, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town, or to take any action in relation thereto. It was moved by Richard Bean, of the Budget Committee, to raise and appropriate the sum of Six Million Seven Hundred Thirty Thousand Three Hundred Fifteen Dollars (\$6,730,315.00) to satisfy Article #8. Bob Gosling presented the School Board's desire to amend the figure to read Six Million Seven Hundred Fifty-Three Thousand Nine Hundred Ninety-Eight Dollars (\$6,753,998.00) for the purpose of adding back half the salary of the full-time elementary school guidance counsellor. This amendment was seconded from the floor. A vote by a raise of hands was taken (Yes - 145, No - 117) and it was voted to accept the School Board's amended amount to satisfy Article #8. Another motion was made to increase the amount to Six Million Seven Hundred Sixty-Seven Thousand One Hundred Thirty-Five Dollars and Fourteen Cents (\$6,767,135.14) which would include the reinstatement of a part-time health educator at Bow Memorial School. The motion was seconded, but defeated. Article #8 was passed by voice vote to accept the amount recommended by the School Board, that amount being Six Million Seven Hundred Fifty-Three Thousand Nine Hundred Ninety-Eight Dollars (\$6,753,998.00).

ARTICLE #11: No further business was brought before the meeting.

A motion was made and seconded to adjourn the meeting. The vote was unanimously in favor of adjourning the meeting at 12:16 A.M., March 23, 1991.

Respectfully submitted,
HARRIET A. KRAYBILL
School District Clerk

BOW SCHOOL DISTRICT WARRANT
1992
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Bow qualified to vote in District affairs:

**YOU ARE HEREBY NOTIFIED TO MEET AT THE BOW
MEMORIAL SCHOOL IN SAID DISTRICT ON FRIDAY THE
THIRTEENTH DAY OF MARCH, 1992, AT SEVEN O'CLOCK IN
THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:**

1. To determine and appoint the salaries of the School Board and fix the compensation of any other Officer or Agent of the District.
2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
3. To see if the District shall accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescision of such authority, the school board to apply for, accept and expend, without further action by the school district, money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year.
4. To see if the School District will vote to authorize the School Board to enter into a long-term lease agreement for a period of five (5) years (July 1, 1992 to June 30, 1997) with the School Bus Lines for the purpose of leasing two (2) new school buses and to raise and appropriate the sum of \$21,462.00 (TWENTY-ONE THOUSAND FOUR HUNDRED SIXTY-TWO DOLLARS) for the fiscal 1992-1993 lease payment.

(Recommended by the Budget Committee)

5. To see if the District will vote to raise and appropriate a sum of money to fund the cost items related to an increase in teachers' salaries and benefits attributable to the Collective Bargaining Agreement being entered into by the Bow School Board and the Bow Education Association for the 1992-1993 fiscal year. Such sum of money represents the additional costs attributable to an increase in salaries and benefits over those obligations payable under the prior Collective Bargaining Agreement.

(This article will be acted upon only if a Collective Bargaining Agreement has been achieved and the sum of money needed to fund such cost items, is therefore, known before the Annual District Meeting.)

6. To see what sum of money the District will raise and appropriate for the support of schools, said sum being exclusive of all special warrant articles, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District and to authorize the application against said appropri-

ation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town, or to take any action in relation thereto.

7. To see if the School District will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of construction, reconstruction or renovations of the Bow school buildings, and vote to transfer into this fund any unencumbered surplus funds remaining on hand at the end of the fiscal year 1991-1992, an amount not to exceed \$30,000.00 (THIRTY THOUSAND DOLLARS) of the unencumbered fund.

(Recommended by the Budget Committee)

8. To transact any other business that may legally come before this meeting.

BOW SCHOOL DISTRICT WARRANT
1992
Election of Officers
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Bow qualified to vote in District affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE BOW COMMUNITY BUILDING IN SAID DISTRICT ON TUESDAY THE TENTH DAY OF MARCH, 1992, AT TEN O'CLOCK IN THE FORENOON TO CAST BALLOTS FROM THAT HOUR OF SAID DAY UNTIL SEVEN O'CLOCK IN THE EVENING FOR THE FOLLOWING DISTRICT OFFICERS:

1. To choose two members of the School Board for the ensuing three years.
2. To choose one member of the School Board for the ensuing year.

GIVEN UNDER OUR HANDS AT SAID BOW THIS THIRTEENTH DAY OF FEBRUARY, 1992.

ANGELYN M. D'AMBRUOSO
BETSY B. MILLER
ANNE P. BAIER
MARIE R. McMILLEN
ERLE B. PIERCE

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Bow School District
Bow, New Hampshire

We have audited the accompanying general purpose financial statements of the Bow School District and the combining and individual fund financial statements of the School District as of and for the year ended June 30, 1991, as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

During the course of our audit, an employee admitted to the commission of certain illegal acts which affect the balance of the Bow Memorial School Student Activities Fund. At the time that we concluded our audit fieldwork, pending further investigation by management or law enforcement officials, we could not determine whether appropriate authority had been given for several disbursements from the account. Had this determination been possible, there might have been a need for the adjustment of reported amounts.

In our opinion, except that omission of the General Fixed Asset Account Group results in an incomplete presentation and except for the affects of such adjustments, if any, as might have been determined to be necessary had the scope of our audit not been limited, as explained in the above paragraphs, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Bow School District at June 30, 1991, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School District at June 30, 1991, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

July 19, 1990

PLODZIK & SANDERSON
Professional Association

**BOW SCHOOL DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 1991**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Bow School District have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to the governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting policies are described below.

A. Governmental Reporting Entity

For financial reporting purposes, in conformity with the National Council on Governmental Accounting Statement Number 3, "Defining the Governmental Reporting Entity," the School District includes all funds and account groups that are controlled by or dependent on the School District's executive or legislative branches. Control by or dependence on the School District is determined on the basis of budget adoption, outstanding debt secured by revenue, or general obligations of the School District, obligation of the School District to finance any deficits that may occur, or receipt of significant subsidies from the School District.

B. Basis of Presentation

The accounts of the School District are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the School District:

GOVERNMENTAL FUND TYPES

Governmental Funds are those through which most governmental functions of the School District are financed. The acquisition, use and balances of the School District's expendable financial resources, and the related liabilities (except those accounted for in proprietary funds) are accounted for through governmental funds. The measurement focus is upon determination of changes in financial position, rather than upon net income determination. The following are the School District's Governmental Fund Types:

General Fund — The General Fund is the general operating fund of the School District. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds — Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. Included in this fund type are the Food Service and Federal/State Projects Funds.

FIDUCIARY FUND TYPES

Fiduciary Funds are used to account for assets held by the School District in a trustee capacity or as an agent for individuals, private organizations, other governmental units and/or other funds. The following is the School District's Fiduciary Fund Type:

Agency Funds — Agency Funds are used to account for the assets held as an agent for others by the School District. The Student Activities Funds are shown in this fund type.

ACCOUNT GROUPS

Account groups are used to establish accounting control and accountability for the School District's general fixed assets and general long-term debt.

General Fixed Assets Account Group — General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Account Group for accountability purposes. In accordance with the practices followed by most other municipal entities in the State, the School District does not maintain a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

General Long-Term Debt Account Group — This group of accounts is established to account for all long-term debt of the School District.

Total Columns (Memorandum Only) on Combined Statements — Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

Comparative Data — Comparative total data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the government's financial position and operations. However, comparative data have not been presented in all statements, because their inclusion would make certain statements unduly complex and difficult to understand.

C. Basis of Accounting

The accounts of the General, Special Revenue, and Agency Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transaction can be determined, and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Application of the "susceptibility to accrual" criteria requires judgement, consideration of the materiality of the item in question, and due regard for the practicality of accrual, as well as consistency in application. Those revenues susceptible to accrual are taxes, intergovernmental revenues, charges for services and interest revenue. Expenditures are recorded when the related fund liability is incurred. Accumulated unpaid vacation and sick pay, and principal and interest on general long-term debt are recorded as fund liabilities when due.

The government reports deferred revenue on its combined balance sheet. Deferred revenue arises when a potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period. Deferred revenue also arises when resources are received by the government before it has a legal claim to them, as when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the government has a legal claim to the resources, the liability for deferred revenue is removed from the combined balance sheet and revenue is recognized.

D. Budgetary Accounting

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the School District's operations. At its annual meeting, the School District adopts a budget for the next fiscal year for the General Fund and all Special Revenue Funds. This budget is adopted on a basis consistent with generally accepted accounting principles. The budget is used by the Department of Revenue Administration each fall to set the tax rate for the applicable municipality. The School Board may transfer appropriations between operating categories as they deem necessary. All annual appropriations lapse at year-end unless encumbered. Project-length financial plans are adopted for all Capital Projects Funds. During the year 1990-91, a deficit appropriation was voted in the amount of \$18,000 to cover fiscal obligations arising because of an out-of-court settlement relating to special education expenses.

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are therefore reported as part of the fund balance at June 30 and are carried forward to supplement appropriations of the subsequent year.

State Statutes require balanced budgets and the use of beginning general fund unreserved fund balance to reduce District assessments. In 1990-91, the beginning fund balance was applied as follows:

Unreserved Fund Balance Used To Reduce District Assessment	\$194,918
Beginning Fund Balance — Reserved For Encumbrances	<u>156</u>
Total Use of Beginning Fund Balance	<u>\$195,074</u>

E. Assets, Liabilities and Fund Equity

1. Cash and Equivalents

State Statutes authorize the School District to invest excess funds in the custody of the Treasurer in obligations of the United States Government, in savings bank deposits of banks incorporated under the laws of the State of New Hampshire, in certificates of deposit of banks incorporated under the laws of the State of New Hampshire, or in national banks located within this State or the State of Massachusetts. These financial statements report investments in certificates of deposit and savings bank deposits under the caption Cash and Equivalents.

2. Receivables

Revenues for the most part are recorded when received, except for the following item for which a receivable has been recorded:

Certain grants received from other governments require that eligible expenditures be made in order to earn the grant. Revenue for these grants is recorded for the period in which eligible expenditures are made.

3. Interfund Receivables and Payables

During the course of normal operations, the School District has transactions between funds, including expenditures and transfers of resources to provide services and fund capital outlay. The accompanying governmental and fiduciary fund financial statements reflect such transactions as transfers. To the extent that certain transactions have not been paid or received as of June 30, balances of interfund amounts receivable or payable have been recorded.

4. Long-Term Liabilities

All governmental funds and expendable trust funds are accounted for on a spending or “financial flow” measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of “available spendable resources”. Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of available spendable resources during a period.

General obligation bonds and other forms of long-term debt supported by general revenues are obligations of the School District as a whole. Accordingly, such unmatured obligations of the School District are accounted for in the General Long-Term Debt Group of Accounts.

5. Fund Equity

Reserved Fund Balance

Reserved fund balance indicates that portion of fund equity for which the School District has made tentative plans.

Designated Fund Balance

Designated fund balance indicates that portion of fund equity for which the School District has made tentative plans.

Undesignated Fund Balance

Undesignated fund balance indicates that portion of fund equity which is available to reduce taxes of the subsequent year.

F. Vacation and Sick Pay

Teachers may accumulate up to 120 days sick leave at a rate of 15 days per year. Support staff are entitled to 15 days per year sick leave with a maximum accumulation of 60 days. Vacation is granted in varying amounts based on length of service. Vacation pay accumulation does not exceed a normal year’s allowance. The value of accumulated sick leave has not been determined.

NOTE 2 – STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

A. Deficit Fund Balances

General Fund

The General Fund has an unreserved fund deficit of \$158,120 at June 30, 1991. The primary cause of the deficit is a result of the District recording an incorrect unreserved-undesignated fund balance on its state MS-25 report for the year ended June 30, 1990; this resulted in the State Department of Revenue Administration using \$194,918 to reduce taxes, when in fact the District was in a deficit of \$19,476 at that time.

B. Excess of Expenditures Over Appropriations

During 1990-91 the School District had an overdraft of Special Revenue Fund appropriations as follows:

Budgetary Appropriations	\$ 28,756
Actual Expenditures	<u>(153,458)</u>
Overdraft of Appropriations	<u>(\$124,702)</u>

NOTE 3 – ASSETS

A. Cash and Investments

At year end, the carrying amount of the School District's cash deposits is \$378,762 and the bank balance is \$575,250. Of the bank balance, \$152,154 was covered by Federal depository insurance, \$374,396 was collateralized with Federal securities, and \$48,700 was uninsured.

B. Intergovernmental Receivable

The School District has recorded \$16,940 as intergovernmental receivable, of which \$10,692 represents Special Revenue Funds Federal grant monies due at June 30, 1991, and \$6,248 represents Special Education Tuition due from outside districts.

C. Interfund Receivables/Payables

Individual fund interfund receivable and payable balances at June 30, 1991 are as follows:

Fund	Interfund Receivable	Interfund Payable
General Fund	\$ 7,729	\$
Special Revenue Funds		
Food Service Fund		5,575
Federal Projects Fund		2,154
	<hr/>	<hr/>
Totals	<u>\$ 7,729</u>	<u>\$ 7,729</u>

NOTE 4 – LIABILITIES

A. Intergovernmental Payable

The School District has recorded \$465,746 as an intergovernmental payable, of which \$438,609 represents tuition charges due the Concord School District and \$27,137 of other miscellaneous liabilities.

B. Defined Benefit Pension Plan

The Bow School district participates in the New Hampshire Retirement System, a cost-sharing multiple-employer public employee retirement system. This system is a defined benefit contributory retirement plan, administered by the State of New Hampshire, which covers substantially all employees of the State and participating political subdivisions, and the teaching and professional staff of the public school system. The payroll for School District employees covered by the system for the year ended June 30, 1991 was \$2,782,719; the School District's total payroll was \$2,994,407.

The New Hampshire Retirement System provides retirement, disability and death benefits according to predetermined formulae. All full-time employees are eligible to participate in the system.

Covered employees are required by State Statute to contribute 5.0% of their salary to the plan. The School District is required by the same statute to contribute a percentage of the employee's salary, based on an actuarial valuation of the entire State plan performed June 30, 1985. These contributions represented 1.07% for teachers and 2.20% for all other employees. The contribution requirements for the year ended June 30, 1991 were \$173,437, which consisted of \$34,301 from the School District and \$139,136 from employees.

The "pension benefit obligation" is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases and step-rate benefits, estimated to be payable in the future as a result of employee service to date. The measure, which is the actuarial present value of credited projected benefits, is intended to help users assess the system's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among retirement systems and em-

employers. The State retirement system does not make separate measurements of assets and pension benefit obligations for individual employers. According to plan administrators, the pension benefit obligation at June 30, 1989 for the system as a whole, determined through an actuarial valuation performed as of that date, was \$1,332,083,112. The system's net assets available for benefits on June 30, 1989 (as reported in the Plan's Audited Annual Report dated June 8, 1990) were at \$1,114,621,243. No more recent figures are available at this time. The percentage that the School District has in relation to the entire plan cannot be determined. Nor is 10-year historical trend information required by GASB 5 available for individual employees. See page 32 of the above-referenced Annual Report.

Capital Lease Agreements for Equipment

The School District has entered into lease-purchase agreements for buses and heating equipment, which provide for annual principal and interest payments as follows:

Fiscal Year Ending June 30, 1990	Principal	Interest	Total
1992	\$ 77,876	\$ 37,693	\$115,569
1993	57,291	30,846	88,137
1994	62,648	25,489	88,137
1995	68,507	19,630	88,137
1996	66,039	13,221	79,260
1997	<u>72,348</u>	<u>6,912</u>	<u>79,260</u>
Totals	\$404,709	\$133,791	\$538,500

Payments of \$74,395 principal and \$41,174 interest were made in the fiscal year ending June 30, 1991. The lease-purchase agreement contains non-appropriation funding clauses whereby, in the event no funds or insufficient funds are appropriated by the School District, the lease shall terminate without penalty or expense to the School District.

C. Bonds or Notes Authorized - Unissued

Article 1 of the 1991 School District Meeting appropriated \$1,600,000 for school building renovations to be financed by long-term borrowing.

NOTE 5 – FUND EQUITY

Reserved for Encumbrances

The General Fund reserve for encumbrances at June 30, 1991 is detailed in Exhibit A-2 and totals \$134.

*Designated for Special Purposes.

The \$16,067 designated for special purposes represents the Food Service Fund balance which management intends to use in the subsequent year.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Owen P. Conway, Superintendent

The approval by the State Board of Education in December, 1991 of the creation of a separate School Administrative Unit for the Bow School District marked the end of an effort of several years, and simultaneously, signalled the beginning of a new era for the Bow Schools. This development, combined with the completion of the additions and renovations to Bow Elementary and Bow Memorial, creates the opportunity for improved programs and instruction for our students.

Although I have been associated with the Bow School District for only a comparatively brief amount of time, I have, nevertheless, been impressed by the dedication of the community, the talent of the administrators, the skills of the teachers, and the commitment of the School Board to the students of Bow. All of these elements set the stage for the creation of newly successful School Administrative Unit - #67.

I wish you well.

PRINCIPALS' REPORT

BOW ELEMENTARY SCHOOL AND BOW MEMORIAL SCHOOL

The Bow Elementary School and the Bow Memorial School provide opportunities for all students to achieve success in their educational programs. Emphasis is placed upon individual needs as students work together in a heterogeneous environment. The new Bow School District philosophy and goals are providing a focus for curriculum presentation at both schools.

For the first time Bow teachers and administrators have developed their own Staff Development programs. These professional development days provided opportunities to address specific areas of the curriculum. Topics this year included science, special education, and cooperative learning.

Completion of the building project at the Bow Elementary School will provide needed space for grade level classrooms and special education areas. The new gym will allow for greater continuity of the physical education program as space will no longer need to be shared with the cafeteria program.

The faculty of the Bow Elementary School has developed annual goals to serve as guidelines to expand and enhance programs at the school. These goals include a review of safety, discipline and safe walkers programs; the development of consistent homework procedures throughout the school; and the development of a plan for better utilization of the library and for the updating of library materials.

Faculty committee work at the Bow Elementary School throughout the year focuses on the development of programs for students that will enhance the curriculum. These committees include planning for the Invention and Education Fairs, Children's Book Week, and I Love to Read and Write Week.

The Bow Memorial School opened in September with a much different physical facility than students left in June. The "open concept" method of delivering educational services has been replaced by a more traditional self-contained classroom model. Faculty and students seem genuinely pleased with this new arrangement. The noise level in the academic area has been dramatically reduced and students experience significantly fewer distractions as they go about the business of learning.

The Bow Memorial School faculty and staff are vigorously working in a variety of areas. During the 1991-92 school year committee work has focused on reviewing grading procedures, discipline, homework and special education. All aspects of the school community are being examined in light of the newly adopted Bow School District philosophy. While the Bow Memorial School remains committed to an understanding of the importance of the affective domain on the learning process, we are seeking a renewed emphasis on the cognitive skills development. Middle level learn-

ers, like all students, achieve a level of self-esteem by being challenged to perform to their capabilities. The programs at Bow Memorial School are designed to meet the need to reach for the academic potential of our students. We continue to emphasize the core curriculum as a solid foundation for a lifetime of learning and achieving.

Respectfully submitted,

PATRICIA A. McLEAN
Principal
Bow Elementary School

UPDATE FROM THE BUILDING COMMITTEE

The 1990 census done by the state indicates that we have 456 children under the age of 5 living here in town. The town should be applauded for making the best choice in building this year rather than postponing the project. We will be ready as these children enter school.

Renovations at Bow Memorial School are complete. School opened on 9/3/91 with a few minor inconveniences, but teachers were able to work in their new classrooms. The staff reports that everyone is happy with the changes and finds that teaching effectiveness has increased significantly with the addition of walls. No new air handling units were added at BMS, but some ducting was added and much of the ducting was rerouted to accommodate all the new classroom areas. Air flow at BMS is sufficient right now and there have been no complaints about air quality.

The Elementary School construction was slow to start because of some site work problems. Drawings from the original construction of the school were not "as-builts" as they should have been. The drawings did not accurately show where buried pipes, etc. were. Equipment was not always as specified on the original drawings, yet no note was made of these changes. This resulted in time spent "poking around" to find where pipes, drains, conduit, etc. were so as not to damage anything during excavation. Additional time was spent evaluating existing conditions before construction could continue.

The parking lot design was changed from the original proposal due to wetlands considerations. We did gain additional spaces, though not as many as we had anticipated.

The new full-operation kitchen is up and running. Materials delivery delays kept us from opening the kitchen as school started in September, but happy to say it is now working beautifully.

The gymnasium was reconfigured to be wider and shorter, with overall square footage as originally proposed. The result is a very usable space with room to add a row of bleachers in the future if desired. Some community concern about the quality of backboards used in the new gym resulted in an upgrade to glass backboards with *privately donated funds*.

The ventilation redesign will allow us to bring in and circulate 15 cfm per occupant for the entire school. Previously, only a very small amount of fresh air was being brought in from the outside and circulated. While we could have brought in enough fresh air to allow for proper ventilation, our heating system was not able to keep the school warm while drawing in cold air from outside. The heating capacity of the school has been increased to allow for preheating the fresh air taken in before it circulates to all of the classrooms. The upgraded ventilation system became operational the week of Feb. 10, 1992.

The project will be completed with landscaping and seeding in the spring. The following list notes the items which were not originally budgeted for, but were worked into the project as necessary and desirable.

AT BOW MEMORIAL SCHOOL:

1. Half masonry/half sheetrock walls were installed rather than all sheetrock walls. This added greatly to the life of the walls for little additional cost.
2. Vinyl composition tile floors were installed. Original plans did not call for replacement of floors at BMS.
3. Miscellaneous upgrades to the fire protection system as requested by Fire Chief.

AT BOW ELEMENTARY:

1. Upwards of \$14,000 was spent on unexpected costs due to inaccurate building documentation from previous construction firm.
2. An upgrade to the control system for heating and ventilation was added to enhance energy management. Some miscellaneous work on the existing system was necessary to make it compatible with the new controls.
3. The dishwashing system in the kitchen was upgraded to facilitate kitchen cleaning activities.
4. Miscellaneous additions for fire safety as requested by Fire Chief.

At the time of this writing, we are well within the budgeted cost of the building project. Funds have not yet been depleted due to the fine management of our Construction Manager, Hutter Construction Corporation. A final accounting will be made at the completion of the project this spring, and will be presented in next year's Town Annual Report.

Respectfully yours,

PANSY BLOOMFIELD

THE BOW PARENT TEACHER ORGANIZATION

The Bow PTO is comprised of the entire community as well as the faculties of the Bow Elementary and Memorial Schools. Meetings are held the first Wednesday of each month at 7:30 PM in the Bow Memorial School. Annual membership fee is \$2.00 per family.

The Bow PTO serves as a communication link between the schools and the community. Our goal is to create a better understanding of the educational objectives of the school and provide assistance for school and community related activities on behalf of the children of Bow.

The Volunteer program sponsored by the Bow PTO is active in both schools, providing support for programs which otherwise would not be available. The children of Bow have benefited by their outstanding efforts. A highlight of this past year was the N.H. Blue Ribbon School Achievement Award which was given to the Elementary School.

Striving to benefit all the students in our schools, we try to add new programs and projects to those we already support. These are made possible with proceeds from our two main fundraisers, the Magazine Drive and Bow Craft Fair. Because the community has helped us to make these fundraisers successful, the Bow PTO is able to continue to provide many programs and projects for the students in Bow. We are very proud of our efforts.

We will also focus our support this school year for the following:

- Ski & Skate Sale
- Sponsor Bow "JUST SAY NO" to Drugs & Alcohol Program
- Bow Craft Fair
- Dental Program for both schools
- In school program with Yoshi for Elementary students
- Family Night with Yoshi
- PTO Scholarship Fund
- Academic Awards and flowers for 9th Grade Graduation
- Hearing and vision screening for pre-school children
- Otter Lake donation for 6th grade
- Sargent Camp donation for 8th grade
- Financial support for Bow Memorial Band
- Teacher & Staff Appreciation Day
- School Volunteer programs for both schools
- Support for the D.A.R.E. Program
- Education Fair programs for both schools
- Sponsor Special Needs Awareness Group
- Donations to both school libraries for book purchases
- Middle School Drama Club
- Candidate Night

The children of Bow count on us and we count on your continued support of the Bow PTO and welcome new members to help make it a success. If you would like more information, please contact a Board member.

Respectfully submitted,
ANNA-MARIE
